OF
TRINITY BROADCASTING NETWORK, INC.

A special meeting of TRINITY BROADCASTING NETWORK, INC. was held on June 22, 1987. All directors were present except Janice Crouch, who was represented through a proxy held by Paul Crouch.

The board considered requests for loans from two corporations, Trinity Broadcasting of Texas, Inc. and Community Educational Television, Inc. The Texas corporation requested \$1,000,000 for the construction of a studio in Dallas, Texas, and Community Educational Television, Inc. has requested a loan not to exceed \$500,000 for the purchase of an existing television studio in Houston, Texas.

It was then moved, seconded and passed that any two officers of this corporation are empowered to execute and deliver such contracts, bank instructions, negotiable instruments or other documents as may be reasonably required to loan Trinity Broadcasting of Texas, Inc. a sum that shall not exceed \$1,000,000 for the construction of a television studio in Dallas, Texas upon such terms and with such security, or affiliation agreement, that the officers deem to be in the best interests of the corporation.

It was then moved, seconded and passed that any two officers of this corporation are empowered to execute and deliver such contracts, bank instructions, negotiable instruments or other documents as may be reasonably required to loan Community Educational Television, Inc. a sum that shall not exceed \$500,000 for the construction of a television studio in Dallas, Texas upon such terms and with such security, or affiliation agreement, that the officers deem to be in the best interests of the corporation.

SPECIAL MEETING

OF

NATIONAL MINORITY T.V., INC.

A special meeting of the Board of Directors of NATIONAL MINORITY T.V., INC. was held on June 22, 1987 at Newport Beach, California. All directors consented to and participated in the meeting.

It was moved by David Espinosa that Jane Duff be elected to the positions of Secretary, Treasurer and Assistant Vice President and that Mr. Espinosa serve as Vice President. Mr. Crouch then seconded the motion. During the discussion it was noted that the offices to which Mrs. Duff had been nominated would allow her to most readily fulfill the responsibilities and duties that her experience and training has prepared her for, and that Mr. Espinosa would be able to provide assistance to the President as a result of his leadership experience and talents. The motion was passed by unanimous vote.

The President then noted for the record that the Federal Communications Commission had consented to the transfer of a construction permit to the corporation for a television station in Midland-Odessa, Texas. Mr. Crouch then moved that the corporation explore the feasibility of entering a transaction through the construction permit would be transferred to another qualified broadcaster and the corporation would acquire a construction permit or operating station in another area. The merits of this proposal were thoroughly discussed with board members Duff and Espinosa expressing strong opposition. Mrs. Duff expressed the opinion that the Midland-Odessa permit provided the corporation with a valuable opportunity to establish minority controlled television as a success. Mr. Espinosa agreed with Mrs. Duff and stressed the demographics of the area based upon his ministerial experience in Texas. The motion failed for lack of a second.

Mrs. Duff reported that she was attempting to locate the tower site proposed by the prior owner of the construction permit. The prior owner had merely located an area suitable for a tower site, but had not secured ownership of land or a lease. It was then moved, seconded and passed that the corporate offices be authorized to lease or purchase land suitable for the construction of the tower and to execute contracts, leases, promissory notes, mortgages or other documents that they deem reasonably necessary to acquire such a site and to acquire and install television tower equipment.

It was then moved, seconded and passed that the corporate officers be authorized and empowered to open a bank account or bank accounts in Orange County, California at the bank of their

choice for the corporation and that any two authorized signatories be empowered to deposit and write checks, drafts and other negotiable instruments on said account with the authorized signatories being Jane Duff, Paul Crouch, David Espinosa, Terry Hickey and Phillip Crouch.

Mr. Espinosa then recommended that plans begin immediately for local programming. Mr. Crouch suggested that the emphasis should be upon network programming for a considerable period of time at least until the station was financially sound. Mrs. Duff stated that even with a reasonable delay plans should now be formulated for local programs. Mrs. Duff agreed to direct the development of such planning.

The board then discussed the need for a loan to bridge the gap between a current need for construction and operating funds and the corporation's first telethon. It was moved by Mr. Crouch and seconded by Mr. Espinosa that corporate offices be authorized and empowered to secure a loan or loans upon terms they deem to be favorable for the construction of a television station broadcasting in Odessa, Texas, for operations until donated funds are received and for the payment of all funds approved by the Federal Communications Commission for reimbursement of the former owner's expenses. This motion was approved by unanimous vote.

This meeting then adjourned.

HOUSTON ON THE AIR!

Glorious News! As this newsletter goes to press, Full Power Channel 14 licensed to Houston, Texas is undergoing final equipment and programming tests required by the FCC! Soon the greater Houston area will be part of our TBN family so WELCOME HOUSTON, TEXAS - We Love You! Actually, Channel 14 is classified by the FCC as an educational TV station just as Beaumont and Harlingen, Texas are. So what is happening here is most significant. Here's why: Under current FCC rules TBN may only own 12 full power commercial stations. We have our full compliment of 12 stations so it would seem we cannot go forward. Well, first of all the limit of 12 does not include low power stations, medium power stations, translator stations, or cable stations. In these areas your TBN is moving FULL SPEED AHEAD! Over 70 of these various classes of stations are on the air. Praise God, if these were our only area of growth we would still give the devil serious trouble! But we are now developing another whole network of TV stations, an EDUCATIONAL NETWORK and Houston is station number THREE in this network. And best of all there is no limitation of 12 stations in the educational class! Naturally we do have unique educational requirements for these stations, but many of the TBN programs fulfill these requirements and we can still have, "LET'S JUST PRAISE THE LORD," too! So, HOUSTON, we do love you, and welcome to our great big beautiful family of TV stations!

Beloved Partners, do you see what God is doing? HIS NETWORK is coming into being! Hundreds of stations - full power, low power, medium power, translator stations, cable stations, satellite receiver stations, educational stations, foreign stations - GLORY BE TO GOD, ALL STATIONS are being joined together in one great last witness to our world that JESUS IS COMING VERY SOON! Oh what joy floods my soul even as I write this good news to you! How could we have even dreamed of this great miracle of God 15 years ago when TBN first began? But here it is! A glorious, powerful, devil destroying NETWORK that even now is pulling down the strongholds of satan - PRAISE THE LORD!

Oh, how satan has raged these past several months! Christian TV has endured the reproach and insults of a cynical, antagonistic world as never before. We should not be surprised that satan would come with all his fury against the one great force that is spoiling his very kingdom, THE AIR FORCE! Beloved Partners, the good news is, WE'RE WINNING! Souls are streaming into the kingdom, 24 hours a day! The harvest is coming in just as Jesus said it would. So, even though devils rage and the very foundation of the world quakes, we lift up our heads and rejoice, for "REDEMPTION DRAWETH NIGH"!

And now, on to the finale! How I wish I could say that things will get better and better. Some would teach that the church must finally subdue the earth, clean it up and restore it so that Jesus can then return and set up his millennial kingdom! If that were true, at the rate we are going Jesus would not be back for a long, long time! No, the truth is, our world is in the throes of its final convulsion. All hell is breaking loose! Satan, like a roaring lion is seeking whom he may devour. Jesus himself said of these last days that false Christs would come;

that it would be as wicked as in the days of Noah; that there would be famine, pestilence, wars and earthquakes fact, he said, that unless those days would be shortened, no flesh would be saved on the earth! This does not so like we will usher in the millennium, does it? No, the truth is our world will continue its headlong plunge toward Armageddon. Evil will "wax worse and worse," but the glorious truth is this - out of this chaos and insurrection the church of Jesus Christ, will reap the final glorious harvest of souls! Even now they are streaming in. Y... B... one of the awesome harvesting tools. Together we are witnessing the grand finale of this God's great plan of redemption. Oh Partners, we are almost there! Even now, out of this world gone mad, a mighty company is arising from every tribe, tongue, and nation - and some day even those who sleep in their graves - Hallelujah! This world is not our home we are just passing through.

But until that trumpet sounds, let's keep going - let's keep building those new stations; let's keep repossessing the Kingdom. Jan and I hold you closer to our hearts than ever before. You are more than our family, we are joined together as ONE with Jesus as he prayed we would be in St. John Chapter 17. We love you more than life itself we are praying for you daily. Please write to us - tell us you are praying for us too - we need your love and support more than ever. The world has unleashed its worst onslaught ever against us, but TOGETHER WE WILL STAND! Praise The Lord! Sincerely in Christ, Paul

▲ "This DO in REMEMBRANCE of me"—Remembering JESUS—HIS VIRGIN BIRTH—HIS SINLESS LIFE—HIS STRIPES FOR MY SICKNESS—HIS DEATH FOR MY SINS—HIS RESURRECTION FOR MY JUSTIFICATION—HIS COMING AGAIN TO TAKE ME HOME!
Jesus also said, "I will not drink henceforth of this fruit of the vine, until that day when I drink it new with YOU in my Father's kingdom." Matt. 26:29 So we are saying "Thank you, Jesus, for ALL you've done for me and I hope to see you soon!"
What a JOY for the whole TBN family to partake together—Coast to Coast—and around the world! We are one family and no one can separate us. Have you ever thought what it would be like to not have our family together in our homes on TV? The world wants us OFF! DO YOU WANT your TV family in YOUR HOME? If you do—
GIVE today to: TBN, P.O. BOX A, SANTA ANA, CA 92711.

Precious souls saved—night after night—day after day—someone, somewhere in the world is receiving Jesus as their Savior—because YOU have sent the LIGHT—thru Christian TV—into their HOME and they have received JESUS!

24 hours a day somewhere a hurting person is being ministered to—a hopeless person is receiving HOPE—a sick person is being HEALED—a lonely person is feeling a part of a FAMILY—and a lost person is being SAVED—All because YOU CARE and YOU have seen to it that Christian TV stays on in America and on around the world! We love you for caring for Christian TV, but most of all JESUS cares! Why should SATAN have major NETWORKS and now Christians only ONE—Why? Because the secular networks take the funds from you little grandma and pay for all filth on secular TV and you don't have a CHOICE! They take 50¢ from every time you buy a detergent—they take \$100 from you every time you buy a major product or car—and THEY TAKE IT! They don't ask you if they pay for their networks that way—it's called COMMERCIALS!

But TBN asks for free-will gifts—YOUR CHOICE—only if you want to give! We can't TAKE anything from you, because WE DON'T WANT anything! It's just your love for our world and for JESUS that counts! 24 hours a day! ▼

◀ Volunteers working now around the clock to take your call! Many people call in false accusation calls—many people curse our prayer partners—many people hate Christian TV that call in—but we don't mind! Jesus HATED—CURSED (by one of his own disciples), and was falsely accused too! But just like Jesus—when they stopped cursing, falsely accusing, hating—Jesus was still there LOVING the people to DEATH! And we're still there, too—LOVING—when HATED—standing our ground when I'm accused and praying for people when being cursed! And we'll still be here when you realize we are here for only one reason—to LIFT UP JESUS! Keep His ONLY TV NETWORK ALIVE and see to it that those that curse and revile—will call back again when they need us and we'll be there to LIFT THEM and help them!

EVERYONE needs Jesus and we'll be there for you! Please call those front-line soldiers who are doing literal hand-to-hand, face-to-face ministry—Coast to Coast on the phones! INSTRUCTIONS

Applicants seeking authority to construct a new low power television broadcast station, applicants seeking authority to obtain assignment of construction permit or license of such a station, and applicants seeking authority to acquire control of an entity holding such construction permit or license are required to afford equal employment opportunity to all qualified persons and to refrain from discriminating in employment and related benefits on the basis of race, color, religion, national origin or sex. See Section 73.2080 of the Commission's Rules. Pursuant to these requirements, an applicant who proposes to employ five or more fulltime station employees must establish a program designed to assure equal employment opportunity for women and minority groups (that is, Blacks not of Hispanic origin, Asians or Pacific Islanders, American Indians or Alaskan Natives and Hispanics). This is submitted to the Commission as the Model EEO Program. If minority group representation in the available labor force is less than five percent (in the aggregate), a program for minority group members is not required. In such cases, a statement so indicating must be set forth in the EEO model program. However, a program must be filed for women since they comprise a significant percentage of virtually all area labor forces. If an applicant proposes to employ less than five fulltime employees, no EEO program for women or minorities need be filed.

Guidelines for a Model EEO Program and a Model EEO Program are attached.

NOTE: Check appropriate box, sign the certification below and return to FCC:

Station will employ less than 5 fulltime employees; therefore no written program is being submitted.

Station will employ 5 or more fulltime employees. Our 5 point program is attached
