SPECIAL MEETING

NATIONAL MINORITY T.V., INC.

A special meeting of National Minority T.V., Inc. was held on October 5, 1990. All directors except Rev. Phil Aguilar participated.

The board discussed recent efforts to sell the station located in Midland/Odessa, Texas. Negotiations with Tri-State Television, Inc. and All American Television had proved to be unsuccessful. Neither corporation was interested.

The board discussed the fact that Prime Time T.V., Inc. in Roswell, New Mexico expressed an interest with reservations. It was mentioned that Prime Time's principal office is closer proximity to Channel 42 than All American or Tri-State and that the management of Prime Time had demonstrated a capacity to provide competent leadership.

It was therefore moved, seconded and passed that the President be authorized and empowered to negotiate an agreement for the sale of our broadcast facilities in Midland/Odessa to Prime Time T.V., Inc. subject to F.C.C. approval.

The meeting then adjourned.

Dated: 10-22-90

JANE DUFF, Secretary

CONSENT

I consent to the above-referenced October 5, 1990 Board of Directors meeting and confirm the action of the Board of Directors set forth hereinabove.

Engineering Department
Memo**

Date: October 10, 1990

To: Darlene Eve

Copy to: Eddie Sills

From: Ben Miller

Subject: 3/4" Sony Machines

Responding you your urgent request for 3/4" tape machines, please be advised that although there has been no budget allocated for this project, I can do the next best thing for you. We have two surplus Sony 5850 machines here at TBN's facility in California which I will have sent to you as soon as they can be removed from service. Unfortunately, we have no surplus time base correctors, therefore you must devise a way to have the machines share your existing TBC. I'm sure you can work it out.

Best regards,

Ben Miller

Inter-Office Memorandum

TO: ALL STATION MANAGERS
FROM: PAUL F. CROUCH
DATE: OCTOBER 12, 1990

In the future, if the U.S. Weather Bureau issues a severe weather warning, it will be acceptable for you to run a crawl as long as the warning is in effect. The frequency of the crawl will have to be determined by the severity of the warning, so use some common sense in this regard--probably never more than once per half hour would be reasonable.

We will discuss this and work out a complete policy at our next manager's meeting in January.
