In re: Ex Parte Presentation
Docket No. 90-314
The Ericsson Corporation

Dear Mr. Caton:

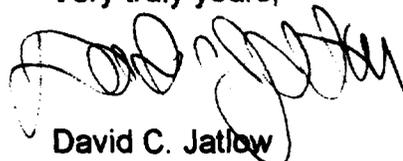

Pursuant to the provisions of Section 1.1206 of the Commission's rules, this letter will serve to advise you that on February 10, 1994 representatives of The Ericsson Corporation met with staff members of the Office of Engineering and Technology to discuss matters related to licensed PCS issues which were previously discussed in Ericsson's formal pleadings in this proceeding.

In addition, copies of this letter are being sent to those staff personnel who attended this meeting.

Due to inclement weather on February 11 as well as prior commitments and travel plans, this letter is being submitted on this date.

Should there be any questions with regard to this matter, kindly communicate directly with the undersigned.

Very truly yours,

David C. Jatlow
Counsel for The Ericsson Corporation
