RE: Dismissal of Pending PRM and Counterproposals

Dear Mr. Caton:

Enclosed please find the original and four copies of a document we wish to file that withdraws our participation in pending counterproposals.

We are no longer interested in the upgrade of WNSP(FM), therefore we feel it will expedite these long pending Rule Makings if we withdraw our request.

Please have someone in your office forward these withdrawal petitions to:

Chief, Allocations Branch
Policy and Rules Division
Mass Media Bureau

Additionally, there is a copy marked "Receipt Stamp Copy." Please have someone receipt stamp this copy and return it in the attached envelope.

Thank you for your assistance in getting this document filed.

Sincerely,
FAULKNER-PHILLIPS MEDIA, INC.

James H. Faulkner

**REQUEST FOR DISMISSAL OF COUNTERPROPOSALS
AND PROPOSED RULE MAKINGS**

Faulkner-Phillips Media, Inc., ("FPM") licensee of WNSP(FM) Bay Minette, Alabama, hereby wishes to advise the Commission that it is withdrawing all of its efforts before the Allocations Branch to upgrade the facilities of WNSP to a class C3. FPM has been involved in various petitions for rule makings and counterproposals in attempts to improve the licensed facility of WNSP. However, for a variety of reasons, the upgrade of WNSP is no longer of interest to FPM. Therefore, FPM respectfully request that its pending request before the Commission in the above captioned Dockets be dismissed immediately.

FPM certifies that it has received no consideration from any party involved in the Dockets listed above (or any party) for making this request. It also certifies that this request for withdrawal (dismissal) of its various pending upgrade documents, is made in good faith and is true and correct to the best of its knowledge and belief.

Respectfully Submitted,
FAULKNER-PHILLIPS MEDIA, INC.
