Re: **GEN Docket 90-314**
ex parte presentation

Dear Mr. Kennard:

The purpose of this letter is to inform you that today myself, Steve Kraskin and Carri Bennet met with Ralph Haller and Renee Licht of the PCS Task Force to discuss issues relating to U.S. Intelco's proposal to promote the provision of PCS services to rural America.

The issues discussed relate to a specific U.S. Intelco proposal to ensure that areas do not go unserved, nor will spectrum be warehoused by PCS licensees, where rural service providers stand ready to provide service. The U.S. Intelco proposal is more fully explained in the attached document, which was distributed at the meeting. Copies of this document are also being included in the record of this proceeding.

Should there be any questions, please contact Steve, Carri or myself at the number listed above.

Sincerely,

Charles D. Cosson
