Re: GEN Docket No. 90-314
Ex Parte Presentation

Dear Mr. Caton:

Pursuant to Section 1.1206 of the Commission's rules, this letter is to advise you that in my capacity as counsel to PCS Action, Inc., a coalition of companies to promote the deployment of PCS services, I met yesterday with Commissioner Rachelle Chong and Mr. Richard Welch, of Commissioner's Chong's staff. Also at the meeting were Mr. Jeff Rosenblatt of Comsearch, Inc., Mr. E.Y. Snowden of American Personal Communications, Mr. Mark Roberts of Alex Brown & Sons, and Mr. Mark O'Connor of Piper & Marbury. At the meeting, we discussed PCS Action's position with respect to the Commission's reconsideration of its Second Report and Order in the above-referenced proceeding, as reflected in PCS Action's previous filings in that proceeding. In addition, we handed out the following written materials, attached hereto:

- "PCS Action Seminar"
- "Membership Roster"
- May 27, 1994 Letter of PCS Action to William F. Caton
- "PCS Action's Position on Reconsideration of Docket No. 90-314"
- "A Vision Of The Future"
- "White Paper On PCS Spectrum Issues"

Mr. Snowden gave to Commissioner Chong a copy of American Personal Communication's letter of May 10, 1994, attached hereto. We also discussed the recent PCS band plan of Motorola, focussing on PCS Action's position on cellular eligibility,

spectrum parity between PCS and cellular spectrum, i.e., that 25 MHz of cellular spectrum is worth 40 to 65 MHz of PCS spectrum, and the problems associated with a post-auction divestiture rule for in-region cellular eligibility.

Sincerely,
