For Construction Permit for a
New FM Station on Channel 280C3
in Ilwaco, Washington

ORDER
Issued: June 17, 1994 ; Released: June 21, 1994

We held our second informal settlement conference on June 17, 1994. Negotiations seem to have fallen apart, and chances that this case can be settled now appear slim.

However, the Settlement Judge stands willing to schedule a further settlement conference if both parties jointly request one.
