Re: Ex Parte Communication in PR Docket No. 93-61,
Automatic Vehicle Monitoring

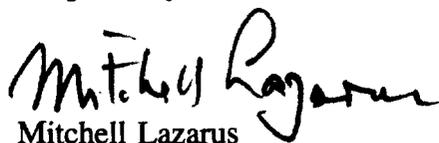

Dear Mr. Caton:

On behalf of Symbol Technologies, Inc. ("Symbol") and pursuant to Section 1.1206(a)(2) of the Commission's Rules, I am filing the original and one copy of this letter to report an ex parte communication in the above-referenced proceeding.

Yesterday afternoon John L. Watts and I met with Jane E. Mago of Commissioner Chong's office. In the course of that meeting we reiterated the views that Symbol expressed in the documents it has filed in this proceeding. We also discussed the potential of existing and proven technologies to accomplish some of the goals of LMS and the possibility of a negotiated compromise between the manufacturers of Part 15 equipment and proponents of LMS.

If there are any questions about this notice, please call me at the number above.

Respectfully submitted,

Mitchell Lazarus
