Re: PR Docket No. 93-61
Automatic Vehicle Monitoring Systems;
ERRATUM

Dear Mr. Chairman and Commissioners:

The August 12, 1994 letter addressed to you, and signed by Metricom, Inc., Alarm Industry Communications Committee, Electronic Industries Association, Itron, Inc., Part 15 Coalition, Sensormatic Electronics Corporation, Southern California Edison Co., Telecommunications Industry Association, Thompson Consumer Electronics, Inc., and the Utilities Telecommunications Council, contained an inadvertent error at Attachment 3, ("Response to 'Further Analysis of Interference of Part 15 Devices and LMS Wideband Systems,'" by Robert J. Zavrel) at page 7, Equation 4. The equation should be corrected as follows:

" 40log" should be deleted and replaced with "10log," so that Equation 4 reads:

$$10\log\frac{1}{R_j^{2.6}}=-14dB$$

Sincerely,

Henry M. Rivera
