Subject: Ex Parte Contacts, PR Docket No. 93-61

Over the period 2-5 August, 1994, each of us contacted several parties to this proceeding in order to solicit ex parte presentations, pursuant to Section 1.1206(a)(3) of the Commission's rules, on several issues including the frequency band plan for AVM/LMS systems and the interference relationship between AVM/LMS systems and Part 15 devices.

The following parties were contacted:

- Jay E. Padgett -- AT&T and Chairman, Consumer Radio Section, Telecommunications Industry Association
- Henry Rivera -- Ginsburg, Feldman and Bress, counsel for ADEMCO, Metricom, and Southern California Edison
- Henry Goldberg and Henrietta Wright -- Goldberg, Godles, Wiener & Wright, counsel for Itron and Tetherless Access
- Steve Schear and Jack Taylor -- Part 15 Coalition
- Jim Fink and Warren Lavey -- Sensormatic
- Richard Wiley, Dave Hilliard, and Mike Lewis -- Wiley, Rein & Fielding, counsel for Amtech and Pinpoint
- Catherine Wang -- Swidler & Berlin, counsel for MFS Network Technologies and Texas Instruments
- Mitchell Lazarus -- Arent Fox, counsel for Symbol Technologies
- Sean Stokes -- Utilities Telecommunications Council
- Louis Gurman -- Gurman, Kurtis, Blask & Freedman, counsel for Southwestern Bell Mobile Systems
- Kathleen Abernathy -- Airtouch
- Marnie Sarver -- Reed Smith Shaw & McClay, counsel for MobileVision

Please file a copy of this memorandum in PR Docket No. 93-61.
