Re: GN Docket No. 93-252

Dear Mr. Caton:

On behalf of Nextel Communications, Inc. and pursuant to Section 1.1206 of the Federal Communications Commission's Rules, this letter constitutes notice that Lawrence Krevor and Robert Foosaner met yesterday with Commissioner Rachelle Chong and Ms. Jill Lockett, Special Advisor to Commissioner Chong, to discuss the implications for Nextel of a freeze on the processing of 800 MHz SMR license applications. At this meeting, Mr. Krevor and Mr. Foosaner presented Commissioner Chong and Ms. Lockett with a series of charts which depict the licensing of SMRs. Commissioner Chong and Ms. Lockett were also presented a map depicting the extent to which certain 800 MHz SMR channels are currently licensed throughout the United States. These handouts are attached herewith.

An original and one copy of this letter have been filed with the Secretary pursuant to Section 1.1206. Should any questions arise in connection with this notification, please do not hesitate to contact the undersigned.

Respectfully submitted,
