Re: MM Docket #93-106

Dear Mr. Caton:

I recently came to learn of the Commission's plans to disallow credit for tape delayed educational programs towards the minimum ITFS broadcast requirements.

As an ITFS licensee, we find this change to be troublesome. Tape delayed programming can be very important for our students and we urge you to repeal your new rule disallowing tape delayed programs for ITFS broadcast minimums.

Thank you for your attention in this matter.

Sincerely,

Rev. John P. Caulfield
Pastor
