CELLULAR RADIO TELECOMMUNICATIONS SERVICE (RETAIL)
RETAIL RATES (Continued)

TERMS AND CONDITIONS - Contract Rate Plans

The following terms and conditions as set forth below will be applicable to each of the contract rate plans listed below:

Security Plan
Occasional Plan
Standard Plan
Value Plan (Analog and TDMA Dual-Mode)
Advantage Plan (Analog and TDMA Dual-Mode)
Premium Plan (Analog and TDMA Dual-Mode)
Digital Flex Plan

The terms and conditions will be applicable unless otherwise set forth in the specific contract rate plan.

1. Usage

Customers may not accrue, and the Company will not provide, credit for any unused Peak Period or Off-Peak Period minutes of Usage that remain at the end of the month. These rates cover all landline service necessary to complete and conduct calls from cellular Mobile Radio Units to any station in the originating Cellular Geographic Service Area ("CGSA"). It is the Customer's responsibility to pay the Company for all toll charges resulting from the origination of mobile calls to points outside the CGSA and for other charges or calls billed to the Customer's Access Number(s). These charges are in addition to the charge for Usage.

2. Eligibility

The Customer must take service under the terms and conditions of the contract rate plans (either Analog or TDMA Dual-Mode*) listed above pursuant to a written or verbal commitment for a period of twelve (12) consecutive months (the "Commitment Period"). In order for the Customer to be eligible for the reduced TDMA Dual-Mode rates, the Customer must activate a TDMA Dual-Mode Mobile Radio Unit. Once the Commitment Period has been fulfilled, the subscriber is eligible to receive service under any of the contract rate plans on a month-to-month basis.

3. Cancellation Rights

Pursuant to CPUC Decision No. 94-04-043, the Company will provide written notice to the subscriber forty-five (45) days prior to the end of the Commitment Period and will advise the subscriber of alternative rate plans that are available.

* "TDMA Dual-Mode" refers to a Mobile Radio Unit that utilizes both analog and digital Time Division Multiple Access technologies.

TERMS AND CONDITIONS - Contract Rate Plans (Continued)

4. Early Termination

If at any time during the Commitment Period the Customer ceases to subscribe to his/her chosen contract rate plan or terminates his/her commitment prior to the expiration of the Commitment Period, the Customer must pay to the Company an early termination fee, except in the event: (i) the Customer changes his/her subscription to one of the contract rate plans* as set forth above, the Corporate Management Plan or the Large Organization Plan; (ii) the Customer's Mobile Radio Unit is stolen and the Customer provides Company with the police report file number as proof of theft; (iii) the Customer subscribes to service with one of the Company's Block A affiliates; or (iv) the Customer terminates service within sixty (60) days of activation. Beginning after the initial 60-day period, the subscriber will be assessed the early termination fee associated with his/her selected contract rate plan as shown in the subsection relating to each contract rate plan.**

NOTE: The specific Early Termination fees associated with the Contract Rate Plan's are as follows:

Security Plan: Beginning after the 60-day period, the early termination fee will be \$50.00 per Access Number, but will be reduced by \$5.00 per month during the remaining Commitment Period.

Occasional Plan, Standard Plan, Value Plan (Analog or TDMA Dual-Mode), Advantage (Analog or TDMA Dual-Mode) and Premium Plan (Analog or TDMA Dual-Mode): Beginning after the 60-day period, the early termination fee will be \$100.00 per Access Number, but will be reduced by \$10.00 per month during the remaining Commitment Period.

* Change of Plan does not change starting date of Commitment Period.

** The early termination provisions shall not apply to any Dorco Communications, Inc. Customers who are transferred to BACTC contract rate plans.
