Re: Ex Parte Communications
PR Docket No. 93-61
Automatic Vehicle Monitoring(AVM)

Dear Mr. Caton:

On behalf of Pinpoint Communications, Inc., an original and one copy of this letter are submitted to provide notice of an *ex parte* presentation in the above-referenced rulemaking.

Today, Richard E. Wiley and I of this firm along with Louis Jandrell and James Pautler of Pinpoint Communications, Inc., attended a meeting with Bruce Franca, Deputy Chief of the Office of Engineering and Technology. We discussed possible testing with Part 15 interests in an effort to gain a better understanding of the compatibility issues facing Part 15 and AVM use of the 902 - 928 MHz band.

Respectfully,

David E. Hilliard
Counsel for Pinpoint
Communications, Inc.

cc: Mr. Bruce Franca
