NOTIFICATION OF COUNSEL'S CHANGE OF ADDRESS

Counsel to Key Chain, Inc. ("Key Chain"), the licensee of radio station WFKZ(FM), Channel 276A, Plantation Key, Florida, hereby notifies the Commission of counsel's change of address. By Petition for Rule Making, filed before the availability of the "one-step upgrade" application procedure, Key Chain requested the upgrade of its station WFKZ from Channel 276A to Channel 276C3. After the one-step mechanism became available, Key Chain filed an application proposing the same upgrade in its station's facilities. Key Chain has requested dismissal of its Petition for Rule Making, on a contingent basis, so long as the concurrence obtained from the Department of Defense for an upgrade through rule making also applies to the upgrade specified in the pending one-step application. We are now awaiting action both on the contingent dismissal request in the rule-making
