Dear Mr. Caton:

Pursuant to Section 1.1206 of the Commission's Rules, this letter is to advise you that Mr. Michael Williams of Omnipoint Corporation had two telephone conversations today with Mr. Julius Knapp of the Commission's Office of Engineering and Technology. These conversations concerned Omnipoint's written ex parte presentations submitted into the above-referenced docket yesterday and today, as well as the cost considerations of adopting Omnipoint's proposed emission mask for licensed PCS. Mr. Williams also had a brief conversation with Mr. John Reed of the Commission's Office of Engineering and Technology concerning Omnipoint's written ex parte presentation submitted into the record yesterday. Further, these telephone conversations generally concerned the issues raised in Omnipoint's "Petition for Reconsideration" and "Reply to Oppositions to Omnipoint's Petition for Reconsideration" filed in the above-referenced docket on July 25, 1994 and September 19, 1994, respectively.
