Re: Notice of *Ex Parte* Contact
PP Docket No. 93-253
GEN Docket No. 90-314
ET Docket No. 92-100

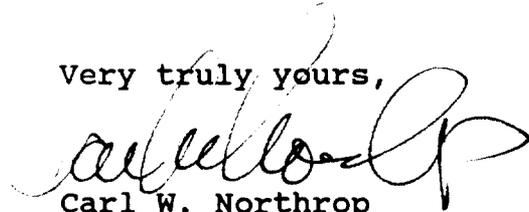

Dear Mr. Caton:

On October 5, 1994, Mark Stachiw, Kathleen Abernathy and Carl W. Northrop, representatives of AirTouch Paging, met with Jackie Chorney and Evan Kwerel of the Office of Plans and Policy to discuss the above-referenced proceedings. The discussion was consistent with the formal comments and reply comments filed by AirTouch Paging in response to the Third Memorandum Opinion and Order and Further Notice of Proposed Rulemaking released August 17, 1994. No written materials were presented in the meeting.

Additionally, AirTouch Paging advocated against the use of sealed auction bids for the narrowband PCS response channels.

Please include a copy of this notice of *ex parte* contact in the records of these proceedings in accordance with the Commission's rules.

Very truly yours,

Carl W. Northrop
