

In addition, the Company and the Subsidiaries are required to meet certain covenants under the Bank Credit Agreement, on a consolidated basis, as well as to maintain certain financial ratios, including a funded debt ratio, a current debt ratio and a fixed charges ratio.

Minority Note and Founders' Notes

Under the terms of a Stock Purchase Agreement dated December 22, 1986 between the Company and certain stockholders of the Company's predecessor, a note was issued in the principal amount of \$6.4 million (the "Minority Note"). The Minority Note is a general, unsecured obligation of the Company which matures on January 2, 1997. Interest and principal are paid on January 2 and July 1 of each and every year. The Minority Note bears interest at the annual rate of 18%. The Minority Note is *pari passu* in right of payment to the Notes. As of September 30, 1993, \$3.5 million remained outstanding under the Minority Note.

On September 30, 1990, the Company issued the Founders' Notes to Julian S. Smith and Carolyn C. Smith. These notes are secured obligations of the Company subordinated as to right of payment and

as to security to the obligations of the Company under the Bank Credit Agreement. In addition, the Founders' Notes are pledged as collateral to the Banks under the Bank Credit Agreement. The Founders' Notes were issued pursuant to a Stock Redemption Agreement, dated September 30, 1990. The Founders' Notes mature on May 31, 2005. The Founders' Note to Julian S. Smith is in the face amount of \$7.5 million and the Founders' Note to Carolyn C. Smith is in the face amount of \$6.7 million. The Founders' Notes are senior in right of payment to the Notes. Principal payments on the loan from Julian S. Smith are payable, in various amounts, each October, beginning October 1991 until October 2004, with a balloon payment due at maturity in the amount of \$5.0 million. Interest payments of various scheduled amounts are payable April and October each year. Additionally, monthly interest payments of \$28,750 commenced on April 1993 and will continue until December 1996. As of September 30, 1993, \$6.9 million remained outstanding on the Founders' Note to Julian S. Smith.

Principal payments on the loan from Carolyn C. Smith are payable each October, beginning October 1991 until October 2004, with a balloon payment due at maturity in the amount of \$4.5 million. The notes include stated interest rates of 8.75%, payable annually from October 1990 until October 1992, then payable semi-annually thereafter, until maturity. The effective interest rate approximates 9.4%. As of September 30, 1993, \$6.2 million remained outstanding on the Founders' Note to Carolyn C. Smith.

The Subsidiaries, jointly and severally, have guaranteed the principal of and interest on both the Minority Note and the Founders' Notes.

The Founders' Notes contain covenants relating to certain business, financial, and operating matters of the Company and the Subsidiaries, including, but not limited to: restrictions on payment of dividends, redemptions of capital stock and certain kinds of investments, mergers and consolidations, occurrence of liens, sales of assets, capital expenditures, changes of control, and occurrence of indebtedness. The Minority Note prohibits the payment of dividends during a default thereunder.

DESCRIPTION OF THE NOTES

The Notes offered hereby will be issued under an Indenture to be dated as of December 9, 1993 among the Company, the Guarantors and First Union National Bank of North Carolina, as trustee (the "Trustee"), a copy of the form of which is filed as an exhibit to the Registration Statement and will be made available to prospective purchasers of the Notes upon request. The Indenture is subject to and governed by the Trust Indenture Act. The following summary of the material provisions of the Indenture does not purport to be complete, and where reference is made to particular provisions of the Indenture, such provisions, including the definitions of certain terms, are qualified in their entirety by reference to all of the provisions of the Indenture and those terms made a part of the Indenture by the Trust Indenture Act. For definitions of certain capitalized terms used in the following summary, see "— Certain Definitions."

General

The Notes will mature on December 15, 2003, will be limited to \$200,000,000 aggregate principal amount, and, except as provided in the Pledge Agreement, will be unsecured senior subordinated obligations of the Company. Each Note will bear interest at the rate set forth on the cover page hereof from December 9, 1993 or from the most recent interest payment date to which interest has been paid, payable semiannually on June 15 and December 15 each year, commencing June 15, 1994, to the Person in whose name the Note (or any predecessor Note) is registered at the close of business on the June 1 or December 1 next preceding such interest payment date.

Payment of the Notes is guaranteed by the Guarantors, jointly and severally, on a senior subordinated basis. The Guarantors are comprised of all of the Wholly Owned Restricted Subsidiaries of the Company. See "— Guarantees."

Principal of, premium, if any, and interest on the Notes will be payable, and the Notes will be exchangeable and transferable (subject to compliance with transfer restrictions imposed by applicable securities laws for so long as the Notes are not registered for resale under the Securities Act), at the office or agency of the Company in the City of New York maintained for such purposes (which initially will be the Trustee); *provided, however, that payment of interest may be made at the option of the Company by check mailed to the Person entitled thereto as shown on the security register.* The Notes will be issued only in fully registered form without coupons, in denominations of \$1,000 and any integral multiple thereof. (Section 302) No service charge will be made for any registration of transfer, exchange or redemption of Notes, except in certain circumstances for any tax or other governmental charge that may be imposed in connection therewith. (Section 305)

Optional Redemption

The Notes will be subject to redemption at any time on or after December 15, 1998, at the option of the Company, in whole or in part, on not less than 30 nor more than 60 days' prior notice by first-class mail in amounts of \$1,000 or an integral multiple thereof at the following redemption prices (expressed as percentages of the principal amount), if redeemed during the 12-month period beginning December 15 of the years indicated below:

<u>Year</u>	<u>Redemption Price</u>
1998	105.0%
1999	104.0
2000	103.0

and thereafter at 100% of the principal amount, in each case together with accrued and unpaid interest, if any, to the redemption date (subject to the right of holders of record on relevant record dates to receive interest due on an interest payment date).

In addition, at any time on or prior to December 15, 1996, the Company may redeem up to 25% of the original principal amount of Notes with the net proceeds of a Public Equity Offering of the Company at 109% of the aggregate principal amount, together with accrued and unpaid interest, if any, to the redemption date (subject to the right of holders of record on relevant record dates to receive interest due on an interest payment date).

If less than all of the Notes are to be redeemed, the Trustee shall select the Notes or portions thereof to be redeemed pro rata, by lot or by any other method the Trustee shall deem fair and reasonable. (Sections 203, 1101, 1105 and 1107)

Special Mandatory Redemption

Notes in the aggregate principal amount of \$100,000,000 are subject to a special redemption on a pro rata basis on or prior to June 15, 1994 with monies held by the Trustee at 100% of the principal amount thereof, plus accrued interest to the date of redemption if it appears, in the sole judgment of the Company, that the Permitted Acquisition can not be consummated in all material respects on or prior to June 1, 1994; *provided* that such redemption will occur on June 15, 1994 if the Permitted Acquisition has not been consummated by June 1, 1994.

Pursuant to the Pledge Agreement, the Company will deposit \$100,000,000 of the proceeds of the sale of the Notes with the Trustee simultaneously with receipt of payment therefor at the issue date. All amounts so deposited will be held by the Trustee pursuant to the Pledge Agreement as collateral to secure the obligations of the Company under the Notes. The Pledge Agreement will provide for release of the funds (the "Collateral") held by the Trustee upon receipt of the Governmental Approvals and satisfaction of all conditions precedent in all material respects to the Permitted Acquisition. The Company will be required to deliver to the Trustee a certificate and an opinion of counsel to such effect. The Pledge Agreement will provide that if, prior to June 1, 1994, the Company delivers to the Trustee a certificate stating that these events have occurred, then the Trustee will release all funds held pursuant to the Pledge Agreement to the Company and the Pledge Agreement will terminate. Following such release of funds and termination of the Pledge Agreement, the Notes will be unsecured obligations of the Company and the Guarantors.

Pending release of such funds pursuant to the Pledge Agreement, funds held by the Trustee will be invested in "Permitted Investments" (as defined in the Pledge Agreement and generally to consist of short-term, high-quality investments including United States government securities, certificates of deposit and highly rated commercial paper) as directed by the Company. Any interest or other profit resulting from such investment will be used to pay interest due on the Notes upon any special redemption. Notice of any special redemption will be mailed to each holder not less than five days prior to the redemption date. (Section 1101)

Sinking Fund

There will be no sinking fund.

Subordination

The payment of the principal of, premium, if any, and interest on, the Notes will be subordinated, as set forth in the Indenture, in right of payment to the prior payment in full of all Senior Indebtedness in cash or cash equivalents or in any other form as acceptable to the holders of Senior Indebtedness. The Notes will be senior subordinated indebtedness of the Company ranking *pari passu* with all other existing and future senior subordinated indebtedness of the Company and senior to all existing and future Subordinated Indebtedness of the Company.

During the continuance of any default in the payment of any Designated Senior Indebtedness no payment (other than payments previously made pursuant to the provisions described under "— Defeasance or Covenant Defeasance of Indenture") or distribution of any assets of the Company of any kind or character (excluding certain permitted equity interests or subordinated securities) shall be made on account of the principal of, premium, if any, or interest on, the Notes or on account of the purchase, redemption, defeasance or other acquisition of, the Notes unless and until such default has been cured, waived or has ceased to exist or such Designated Senior Indebtedness shall have been discharged or paid in full in cash or cash equivalents or in any other form as acceptable to the holders of Senior Indebtedness.

During the continuance of any non-payment default with respect to any Designated Senior Indebtedness pursuant to which the maturity thereof may be accelerated (a "Non-payment Default") and after the receipt by the Trustee from a representative of the holder of any Designated Senior Indebtedness of

a written notice of such default, no payment (other than payments previously made pursuant to the provisions described under "— Defeasance or Covenant Defeasance of Indenture") or distribution of any assets of the Company of any kind or character (excluding certain permitted equity or subordinated securities) may be made by the Company on account of the principal of, premium, if any, or interest on, the Notes or on account of the purchase, redemption, defeasance or other acquisition of, the Notes for the period specified below (the "Payment Blockage Period").

The Payment Blockage Period shall commence upon the receipt of notice of the Non-payment Default by the Trustee and the Company from a representative of the holder of any Designated Senior Indebtedness and shall end on the earliest of (i) the first date on which more than 179 days shall have elapsed since the receipt of such written notice (provided such Designated Senior Indebtedness as to which notice was given shall not theretofore have been accelerated), (ii) the date on which such Non-payment Default (and all Non-payment Defaults as to which notice is given after such Payment Blockage Period is initiated) are cured, waived or ceased to exist or on which such Designated Senior Indebtedness is discharged or paid in full in cash or cash equivalents or in any other form as acceptable to the holders of Designated Senior Indebtedness or (iii) the date on which such Payment Blockage Period (and all Non-payment Defaults as to which notice is given after such Payment Blockage Period is initiated) shall have been terminated by written notice to the Company or the Trustee from the representatives of holders of Designated Senior Indebtedness initiating such Payment Blockage Period, after which, in the case of clauses (i), (ii) and (iii), the Company shall promptly resume making any and all required payments in respect of the Notes, including any missed payments. In no event will a Payment Blockage Period extend beyond 179 days from the date of the receipt by the Company or the Trustee of the notice initiating such Payment Blockage Period (such 179-day period referred to as the "Initial Period"). Any number of notices of Non-payment Defaults may be given during the Initial Period; provided that during any 365-day consecutive period only one Payment Blockage Period during which payment of principal of, or interest on, the Notes may not be made may commence and the duration of the Payment Blockage Period may not exceed 179 days. No Non-payment Default with respect to Designated Senior Indebtedness which existed or was continuing on the date of the commencement of any Payment Blockage Period will be, or can be, made the basis for the commencement of a second Payment Blockage Period, whether or not within a period of 365 consecutive days, unless such default has been cured or waived for a period of not less than 90 consecutive days. (Section 1203)

If the Company fails to make any payment on the Notes when due or within any applicable grace period, whether or not on account of the payment blockage provisions referred to above, such failure would constitute an Event of Default under the Indenture and would enable the holders of the Notes to accelerate the maturity thereof. See "— Events of Default."

The Indenture will provide that in the event of any insolvency or bankruptcy case or proceeding, or any receivership, liquidation, reorganization or other similar case or proceeding in connection therewith, relative to the Company or its assets, or any liquidation, dissolution or other winding up of the Company, whether voluntary or involuntary and whether or not involving insolvency or bankruptcy, or any assignment for the benefit of creditors or any other marshalling of assets or liabilities of the Company, all Senior Indebtedness must be paid in full in cash or cash equivalents or in any other form as acceptable to the holders of Senior Indebtedness, or provision made for such payment, before any payment or distribution (excluding distributions of certain permitted equity or subordinated securities) is made on account of the principal of, premium, if any, or interest on the Notes. (Section 1202)

By reason of such subordination, in the event of liquidation or insolvency, creditors of the Company who are holders of Senior Indebtedness may recover more, ratably, than the holders of the Notes, and funds which would be otherwise payable to the holders of the Notes will be paid to the holders of the Senior Indebtedness to the extent necessary to pay the Senior Indebtedness in full in cash or cash equivalents or in any other form as acceptable to the holders of Senior Indebtedness, and the Company may be unable to meet its obligations fully with respect to the Notes.

Each Guarantee of a Guarantor will be an unsecured senior subordinated obligation of such Guarantor, ranking *pari passu* with, or senior in right of payment to, all other existing and future Indebtedness of such Guarantor that is expressly subordinated to Guarantor Senior Indebtedness. The

Indebtedness evidenced by the Guarantees will be subordinated to Guarantor Senior Indebtedness to the same extent as the Notes are subordinated to Senior Indebtedness and during any period when payment on the Notes is blocked by Designated Senior Indebtedness, payment on the Guarantees is similarly blocked.

"Senior Indebtedness" is defined as the principal of, premium, if any, and interest (including interest accruing after the filing of a petition initiating any proceeding under any state, federal or foreign bankruptcy law whether or not allowable as a claim in such proceeding) on any Indebtedness of the Company (other than as otherwise provided in this definition), whether outstanding on the date of the Indenture or thereafter created, incurred or assumed, and whether at any time owing, actually or contingent, unless, in the case of any particular Indebtedness, the instrument creating or evidencing the same or pursuant to which the same is outstanding expressly provides that such Indebtedness shall not be senior in right of payment to the Notes. Without limiting the generality of the foregoing, "Senior Indebtedness" shall include (i) the principal of, premium, if any, and interest (including interest accruing after the filing of a petition initiating any proceeding under any state, federal or foreign bankruptcy law whether or not allowable as a claim in such proceeding) and all other obligations of every nature of the Company from time to time owed to the lenders (or their agent) under the Bank Credit Agreement; *provided, however*, that any Indebtedness under any refinancing, refunding or replacement of the Bank Credit Agreement shall not constitute Senior Indebtedness to the extent that the Indebtedness thereunder is by its express terms subordinate to any other Indebtedness of the Company, (ii) Indebtedness outstanding under the Founders' Notes and (iii) Indebtedness under Interest Rate Agreements. Notwithstanding the foregoing, "Senior Indebtedness" shall not include (i) Indebtedness evidenced by the Notes, (ii) Indebtedness that is subordinate or junior in right of payment to any Indebtedness of the Company, (iii) Indebtedness which when incurred and without respect to any election under Section 1111(b) of Title 11 United States Code, is without recourse to the Company, (iv) Indebtedness which is represented by Disqualified Equity Interests, (v) any liability for foreign, federal, state, local or other taxes owed or owing by the Company, (vi) Indebtedness of the Company to the extent such liability constitutes Indebtedness to a Subsidiary or any other Affiliate of the Company or any of such Affiliate's subsidiaries, (vii) that portion of any Indebtedness which at the time of issuance is issued in violation of the Indenture, (viii) Indebtedness owed by the Company for compensation to employees or for services and (ix) Indebtedness outstanding under the Minority Note.

"Guarantor Senior Indebtedness" is defined as the principal of, premium, if any, and interest (including interest accruing after the filing of a petition initiating any proceeding under any state, federal or foreign bankruptcy laws whether or not allowable as a claim in such proceeding) on any Indebtedness of any Guarantor (other than as otherwise provided in this definition), whether outstanding on the date of the Indenture or thereafter created, incurred or assumed, and whether at any time owing, actually or contingent, unless, in the case of any particular Indebtedness, the instrument creating or evidencing the same or pursuant to which the same is outstanding expressly provides that such Indebtedness shall not be senior in right of payment to any Guarantee. Without limiting the generality of the foregoing, "Guarantor Senior Indebtedness" shall include (i) the principal of, premium, if any, and interest (including interest accruing after the filing of a petition initiating any proceeding under any state, federal or foreign bankruptcy law whether or not allowable as a claim in such proceeding) and all other obligations of every nature of any Guarantor from time to time owed to the lenders (or their agent) under the Bank Credit Agreement; *provided, however*, that any Indebtedness under any refinancing, refunding, or replacement of the Bank Credit Agreement shall not constitute Guarantor Senior Indebtedness to the extent that the Indebtedness thereunder is by its express terms subordinate to any other Indebtedness of any Guarantor, (ii) Indebtedness evidenced by any guarantee of the Founders' Notes and (iii) Indebtedness under Interest Rate Agreements. Notwithstanding the foregoing, "Guarantor Senior Indebtedness" shall not include (i) Indebtedness evidenced by the Guarantees, (ii) Indebtedness that is subordinate or junior in right of payment to any Indebtedness of any Guarantor, (iii) Indebtedness which when incurred and without respect to any election under Section 1111(b) of Title 11 United States Code, is without recourse to any Guarantor, (iv) Indebtedness which is represented by Disqualified Equity Interests, (v) any liability for foreign, federal, state, local or other taxes owed or owing by any Guarantor to the extent such liability constitutes Indebtedness, (vi) Indebtedness of any Guarantor to a

Subsidiary or any other Affiliate of the Company or any of such Affiliate's subsidiaries, (vii) Indebtedness evidenced by any guarantee of any Subordinated Indebtedness or Pari Passu Indebtedness, (viii) that portion of any Indebtedness which at the time of issuance is issued in violation of the Indenture, (ix) Indebtedness owed by any Guarantor for compensation to employees or for services and (x) any guarantee of the Minority Note.

"Designated Senior Indebtedness" is defined as (i) all Senior Indebtedness outstanding under the Bank Credit Agreement and (ii) any other Senior Indebtedness which is incurred pursuant to an agreement (or series of related agreements) simultaneously entered into providing for indebtedness, or commitments to lend, of at least \$25,000,000 at the time of determination and is specifically designated in the instrument evidencing such Senior Indebtedness or the agreement under which such Senior Indebtedness arises as "Designated Senior Indebtedness" by the Company.

As of September 30, 1993, on a pro forma basis, after giving effect to the sale of the Notes and the application of the estimated net proceeds thereof, the aggregate amount of Senior Indebtedness that ranked senior in right of payment to the Notes would have been \$19.4 million, and the aggregate amount of indebtedness that is *pari passu* in right of payment with the Notes would have been \$3.5 million. In connection with the Proposed Acquisitions, the Company intends to incur an additional \$75 million of indebtedness, all or a portion of which may constitute Senior Indebtedness. See "Risk Factors - Subordination of the Notes and the Guarantees; Asset Encumbrances" and "Capitalization." The Company's and its Subsidiaries' ability to incur additional Indebtedness is restricted as set forth under "Certain Covenants - Limitation on Indebtedness." Any Indebtedness which can be incurred may constitute additional Senior Indebtedness or Guarantor Senior Indebtedness.

Guarantees

The Guarantors will, jointly and severally, unconditionally guarantee the due and punctual payment of principal of, premium, if any, and interest on, the Notes. Such guarantees will be subordinated to the Guarantor Senior Indebtedness. See "Subordination." As of September 30, 1993, on a pro forma basis, after giving effect to the sale of the Notes offered hereby and the application of the estimated net proceeds thereof, the aggregate amount of Guarantor Senior Indebtedness that ranked senior in right of payment to the Guarantees would have been \$27.7 million (including \$19.4 million of outstanding indebtedness representing guarantees of Senior Indebtedness). In addition, under certain circumstances described under "Certain Covenants - Limitations on Issuances of Guarantees of and Pledges for Indebtedness," the Company is required to cause the execution and delivery of additional Guarantees by Restricted Subsidiaries. (Section 1012)

In addition, upon any sale, exchange or transfer, to any Person not an Affiliate of the Company, of all of the Company's Equity Interest in, or all or substantially all of the assets of, any Guarantor, which is in compliance with the Indenture, such Guarantor shall be released from all its obligations under its Guarantee.

The Guarantors consist of all of the Company's existing Subsidiaries, which are: Chesapeake Television, Inc., a Maryland corporation; Chesapeake Television Licensee, Inc., a Delaware corporation; WTTE, Channel 28, Inc., a Maryland corporation; WTTE, Channel 28 Licensee, Inc., a Maryland corporation; WPGH, Inc., a Maryland corporation; WPGH Licensee, Inc., a Maryland corporation; WTTO, Inc., a Maryland corporation; WTTO Licensee, Inc., a Delaware corporation; WCGV, Inc., a Maryland corporation; and WCGV Licensee, Inc., a Delaware corporation. WTTO, Inc., WCGV, Inc., WTTO Licensee, Inc. and WCGV Licensee, Inc. were formed to effect the Proposed Acquisitions and currently do not have any assets other than nominal capitalization.

Certain Covenants

The Indenture contains, among others, the following covenants:

Limitation on Indebtedness. The Company will not, and will not permit any Restricted Subsidiary to, create, incur, assume or directly or indirectly guarantee or in any other manner become directly or indirectly liable for ("incur") any Indebtedness (including Acquired Indebtedness), except that the Com-

pany may incur Indebtedness and a Guarantor may incur Permitted Subsidiary Indebtedness if, in each case, the Debt to Operating Cash Flow Ratio of the Company and its Restricted Subsidiaries at the time of the incurrence of such Indebtedness, after giving pro forma effect thereto, is (x) on or prior to December 15, 1998, 7:1 or less or (y) after December 15, 1998, 6.5:1 or less.

The foregoing limitation will not apply to the incurrence of any of the following (collectively, "Permitted Indebtedness"):

(i) Indebtedness of the Company under the Bank Credit Agreement in an aggregate principal amount at any one time outstanding not to exceed (a) \$75,000,000 (plus \$100,000,000 in the event the redemption pursuant to "Special Mandatory Redemption" is effected) under any term loans made pursuant thereto and incurred to finance the Permitted Acquisition, minus all principal payments made in respect of any term loans subsequent to the consummation of the Permitted Acquisition, *provided* that such amount shall be reduced by the amount of any Indebtedness incurred pursuant to clause (iv) of this definition of "Permitted Indebtedness;" and (b) \$30,000,000 under any revolving credit facility thereunder;

(ii) Indebtedness of the Company pursuant to the Notes and Indebtedness of any Guarantor pursuant to a Guarantee;

(iii) Indebtedness of any Guarantor consisting of a guarantee of the Company's Indebtedness under the Bank Credit Agreement;

(iv) in the event the redemption pursuant to "Special Mandatory Redemption" is effected, Permitted Acquisition Indebtedness in the aggregate principal amount at any time outstanding not to exceed \$180,000,000 minus the amount of any Indebtedness incurred pursuant to clause (i)(a) of this definition of "Permitted Indebtedness," *provided* that any Permitted Acquisition Indebtedness incurred by the Company shall have an Average Life to Stated Maturity no shorter than the Average Life to Stated Maturity of the Notes;

(v) Indebtedness of the Company or any Restricted Subsidiary outstanding on the date of the Indenture and listed on Schedule I thereto;

(vi) Indebtedness of the Company owing to a Restricted Subsidiary; *provided* that any Indebtedness of the Company owing to a Restricted Subsidiary that is not a Guarantor is made pursuant to an intercompany note in the form attached to the Indenture and is subordinated in right of payment from and after such time as the Notes shall become due and payable (whether at Stated Maturity, acceleration or otherwise) to the payment and performance of the Company's obligations under the Notes; *provided, further*, that any disposition, pledge or transfer of any such Indebtedness to a Person (other than a disposition, pledge or transfer to a Wholly Owned Restricted Subsidiary or a pledge to or for the benefit of the lenders under the Bank Credit Agreement) shall be deemed to be an incurrence of such Indebtedness by the obligor not permitted by this clause (vi);

(vii) Indebtedness of a Wholly Owned Restricted Subsidiary owing to the Company or another Wholly Owned Restricted Subsidiary; *provided* that, with respect to Indebtedness owing to a Wholly Owned Subsidiary that is not a Guarantor, (x) any such Indebtedness is made pursuant to an intercompany note in the form attached to the Indenture and (y) any such Indebtedness shall be subordinated in right of payment from and after such time as the obligations under the Guarantee by such Wholly Owned Restricted Subsidiary shall become due and payable to the payment and performance of such Wholly Owned Restricted Subsidiary's obligations under its Guarantee; *provided, further*, that (a) any disposition, pledge or transfer of any such Indebtedness to a Person (other than a disposition, pledge or transfer to the Company or a Wholly Owned Restricted Subsidiary or pledge to or for the benefit of the lenders under the Bank Credit Agreement) shall be deemed to be an incurrence of such Indebtedness by the obligor not permitted by this clause (vii) and (b) any transaction pursuant to which any Wholly Owned Restricted Subsidiary, which has Indebtedness owing to the Company or any other Wholly Owned Restricted Subsidiary, ceases to be a Wholly Owned Restricted Subsidiary shall be deemed to be the incurrence of Indebtedness by such Wholly Owned Restricted Subsidiary that is not permitted by this clause (vii);

(viii) guarantees of any Restricted Subsidiary made in accordance with the provisions of " - *Limitation on Issuances of Guarantees of and Pledges for Indebtedness;*"

(ix) obligations of the Company entered into in the ordinary course of business pursuant to Interest Rate Agreements designed to protect the Company against fluctuations in interest rates in respect of Indebtedness of the Company as long as such obligations at the time incurred do not exceed the aggregate principal amount of such Indebtedness then outstanding or in good faith anticipated to be outstanding within 90 days of such occurrence;

(x) any renewals, extensions, substitutions, refundings, refinancings or replacements (collectively, a "refinancing") of any Indebtedness described in clauses (ii), (iii), (iv) and (v) above (*provided* that, in the case of clause (ii), only \$100,000,000 in aggregate principal amount of the Notes may be refinanced (x) prior to the termination of the Pledge Agreement and (y) in the event \$100,000,000 principal amount of the Notes are redeemed pursuant to "Special Mandatory Redemption"), including any successive refinancings so long as the aggregate principal amount of Indebtedness represented thereby is not increased by such refinancing plus the lesser of (I) the stated amount of any premium or other payment required to be paid in connection with such a refinancing pursuant to the terms of the Indebtedness being refinanced or (II) the amount of premium or other payment actually paid at such time to refinance the Indebtedness, plus, in either case, the amount of expenses of the Company incurred in connection such refinancing and, in the case of *Pari Passu* or *Subordinated Indebtedness*, such refinancing does not reduce the Average Life to Stated Maturity or the Stated Maturity of such Indebtedness; and

(xi) Indebtedness of the Company in addition to that described in clauses (i) through (x) above, and any renewals, extensions, substitutions, refinancings, or replacements of such Indebtedness, so long as the aggregate principal amount of all such Indebtedness shall not exceed \$10,000,000. (Section 1008)

Limitation on Restricted Payments. (a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly:

(i) declare or pay any dividend on, or make any distribution to holders of, any of the Company's Equity Interests (other than dividends or distributions payable solely in its Qualified Equity Interests);

(ii) purchase, redeem or otherwise acquire or retire for value, directly or indirectly, any Equity Interest of the Company or any Affiliate thereof (except Equity Interests held by the Company or a Wholly Owned Restricted Subsidiary);

(iii) make any principal payment on, or repurchase, redeem, defease, retire or otherwise acquire for value, prior to any scheduled principal payment, sinking fund or maturity, any Subordinated Indebtedness;

(iv) declare or pay any dividend or distribution on any Equity Interests of any Subsidiary to any Person (other than the Company or any of its Wholly Owned Restricted Subsidiaries);

(v) incur, create or assume any guarantee of Indebtedness of any Affiliate (other than a Wholly Owned Restricted Subsidiary of the Company); or

(vi) make any Investment in any Person (other than any Permitted Investments)

(any of the foregoing payments described in clauses (i) through (vi), other than any such action that is a Permitted Payment, collectively, "Restricted Payments") unless after giving effect to the proposed Restricted Payment (the amount of any such Restricted Payment, if other than cash, as determined by the Board of Directors of the Company, whose determination shall be conclusive and evidenced by a board resolution), (1) no Default or Event of Default shall have occurred and be continuing and such Restricted Payment shall not be an event which is, or after notice or lapse of time or both, would be, an "event of default" under the terms of any Indebtedness of the Company or its Restricted Subsidiaries; and (2) the aggregate amount of all such Restricted Payments declared or made after the date of the Indenture does not exceed the sum of:

(A) an amount equal to the Company's Cumulative Operating Cash Flow less 1.4 times the Company's Cumulative Consolidated Interest Expense; and

(B) the aggregate Net Cash Proceeds received after the date of the Indenture by the Company from capital contributions (other than from a Subsidiary) or from the issuance or sale (other than to any of its Subsidiaries) of its Qualified Equity Interests (except, in each case, to the extent such proceeds are used to purchase, redeem or otherwise retire Equity Interests or Subordinated Indebtedness as set forth below).

(b) Notwithstanding the foregoing, and in the case of clauses (ii) through (v) below, so long as there is no Default or Event of Default continuing, the foregoing provisions shall not prohibit the following actions (clauses (i) through (v) being referred to as "Permitted Payments"):

(i) the payment of any dividend within 60 days after the date of declaration thereof, if at such date of declaration such payment would be permitted by the provisions of paragraph (a) of this Section and such payment shall be deemed to have been paid on such date of declaration for purposes of the calculation required by paragraph (a) of this Section;

(ii) any transaction with an officer or director of the Company entered into in the ordinary course of business (including compensation or employee benefit arrangements with any officer or director of the Company);

(iii) the repurchase, redemption, or other acquisition or retirement of any Equity Interests of the Company in exchange for (including any such exchange pursuant to the exercise of a conversion right or privilege in connection therewith cash is paid in lieu of the issuance of fractional shares or scrip), or out of the Net Cash Proceeds of, a substantially concurrent issue and sale for cash (other than to a Subsidiary) of other Qualified Equity Interests of the Company; *provided* that the Net Cash Proceeds from the issuance of such Qualified Equity Interests are excluded from clause (2)(B) of paragraph (a) of this Section;

(iv) any repurchase, redemption, defeasance, retirement, refinancing or acquisition for value or payment of principal of any Subordinated Indebtedness in exchange for, or out of the net proceeds of, a substantially concurrent issuance and sale for cash (other than to any Subsidiary of the Company) of any Qualified Equity Interests of the Company, *provided* that the Net Cash Proceeds from the issuance of such shares of Qualified Equity Interests are excluded from clause (2)(B) of paragraph (a) of this Section; and

(v) the repurchase, redemption, defeasance, retirement, refinancing or acquisition for value or payment of principal of any Subordinated Indebtedness (other than Disqualified Equity Interests) (a "refinancing") through the issuance of new Subordinated Indebtedness of the Company, as the case may be, *provided* that any such new Indebtedness (1) shall be in a principal amount that does not exceed the principal amount so refinanced or, if such Subordinated Indebtedness provides for an amount less than the principal amount thereof to be due and payable upon a declaration or acceleration thereof, then such lesser amount as of the date of determination), plus the lesser of (I) the stated amount of any premium, interest or other payment required to be paid in connection with such a refinancing pursuant to the terms of the Indebtedness being refinanced or (II) the amount of premium, interest or other payment actually paid at such time to refinance the Indebtedness, plus, in either case, the amount of expenses of the Company incurred in connection with such refinancing; (2) has an Average Life to Stated Maturity greater than the remaining Average Life to Stated Maturity of the Notes; (3) has a Stated Maturity for its final scheduled principal payment later than the Stated Maturity for the final scheduled principal payment of the Notes; and (4) is expressly subordinated in right of payment to the Notes at least to the same extent as the Indebtedness to be refinanced. (Section 1009)

Limitation on Transactions with Affiliates. The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or suffer to exist any transaction or series of related transactions (including, without limitation, the sale, purchase, exchange or lease of assets, property or services) with any Affiliate of the Company (other than the Company or a Wholly Owned Restricted Subsidiary) unless (a) such transaction or series of transactions is in writing on terms that

are no less favorable to the Company or such Restricted Subsidiary, as the case may be, than would be available in a comparable transaction in arm's-length dealings with an unrelated third party and (b) (i) with respect to any transaction or series of transactions involving aggregate payments in excess of \$1,000,000, the Company delivers an officers' certificate to the Trustee certifying that such transaction or series of related transactions complies with clause (a) above and such transaction or series of related transactions has been approved by a majority of the members of the Board of Directors of the Company (and approved by a majority of Independent Directors or, in the event there is only one Independent Director, by such Independent Director) and (ii) with respect to any transaction or series of transactions involving aggregate payments in excess of \$5,000,000, an opinion as to the fairness to the Company or such Restricted Subsidiary from a financial point of view issued by an investment banking firm of national standing. Notwithstanding the foregoing, this provision will not apply to (A) any transaction with an officer or director of the Company entered into in the ordinary course of business (including compensation or employee benefit arrangements with any officer or director of the Company), (B) any transaction entered into by the Company or one of its Wholly Owned Restricted Subsidiaries with a Wholly Owned Restricted Subsidiary of the Company, and (C) transactions in existence on the date of the Indenture. (Section 1010)

Limitation on Senior Subordinated Indebtedness. The Company will not, and will not permit any Guarantor to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise in any manner become directly or indirectly liable for or with respect to or otherwise permit to exist any Indebtedness that is subordinate in right of payment to any Indebtedness of the Company or such Guarantor, as the case may be, unless such Indebtedness is also *pari passu* with the Notes or the Guarantee of such Guarantor, or subordinate in right of payment to the Notes or such Guarantee to at least the same extent as the Notes or such Guarantee are subordinate in right of payment to Senior Indebtedness or Guarantor Senior Indebtedness, as the case may be, as set forth in the Indenture. (Section 1011)

Limitation on Liens. The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur, affirm or suffer to exist any Lien of any kind upon any of its property or assets (including any intercompany notes), now owned or acquired after the date of the Indenture, or any income or profits therefrom, except if the Notes are directly secured equally and ratably with (or prior to in the case of Liens with respect to Subordinated Indebtedness) the obligation or liability secured by such Lien, excluding, however, from the operation of the foregoing any of the following:

(a) any Lien existing as of the date of the Indenture and listed on a schedule thereto;

(b) any Lien arising by reason of (1) any judgment, decree or order of any court, so long as such Lien is adequately bonded and any appropriate legal proceedings which may have been duly initiated for the review of such judgment, decree or order shall not have been finally terminated or the period within which such proceedings may be initiated shall not have expired; (2) taxes not yet delinquent or which are being contested in good faith; (3) security for payment of workers' compensation or other insurance; (4) good faith deposits in connection with tenders, leases, contracts (other than contracts for the payment of money); (5) zoning restrictions, easements, licenses, reservations, provisions, covenants, conditions, waivers, restrictions on the use of property or minor irregularities of title (and with respect to leasehold interests, mortgages, obligations, liens and other encumbrances incurred, created, assumed or permitted to exist and arising by, through or under a landlord or owner of the leased property, with or without consent of the lessee), none of which materially impairs the use of any parcel of property material to the operation of the business of the Company or any Subsidiary or the value of such property for the purpose of such business; (6) deposits to secure public or statutory obligations, or in lieu of surety or appeal bonds; (7) certain surveys, exceptions, title defects, encumbrances, easements, reservations of, or rights of others for, rights of way, sewers, electric lines, telegraph or telephone lines and other similar purposes or zoning or other restrictions as to the use of real property not interfering with the ordinary conduct of the business of the Company or any of its Subsidiaries; or (8) operation of law in favor of mechanics, materialmen, laborers, employees or suppliers, incurred in the ordinary course of business for sums which are not yet delinquent or are being contested in good faith by negotiations or by appropriate proceedings which suspend the collection thereof;

(c) any Lien now or hereafter existing on property of the Company or any of its Restricted Subsidiaries securing Senior Indebtedness or Guarantor Senior Indebtedness, in each case which Indebted-

ness is permitted under the provisions of "Limitation on Indebtedness" and provided that the provisions described under "Limitation on Issuances of Guarantees of and Pledges for Indebtedness" are complied with;

(d) any Lien securing Acquired Indebtedness created prior to (and not created in connection with, or in contemplation of) the incurrence of such Indebtedness by the Company or any Subsidiary, in each case which Indebtedness is permitted under the provisions of "Limitation on Indebtedness"; provided that any such Lien only extends to the assets that were subject to such Lien securing such Acquired Indebtedness prior to the related transaction by the Company or its Subsidiaries;

(e) any Lien securing Permitted Subsidiary Indebtedness; and

(f) any extension, renewal, refinancing or replacement, in whole or in part, of any Lien described in the foregoing clauses (a) through (e) so long as the amount of security is not increased thereby. (Section 1012)

Limitation on Sale of Assets. (a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, consummate an Asset Sale unless (i) at least 80% of the proceeds from such Asset Sale are received in cash and (ii) the Company or such Restricted Subsidiary receives consideration at the time of such Asset Sale at least equal to the Fair Market Value of the shares or assets sold (other than in the case of an involuntary Asset Sale, as determined by the Board of Directors of the Company and evidenced in a board resolution); provided, however, that clause (i) shall not prohibit the divestiture of the broadcast license related to Channel 45 in Baltimore, Maryland in connection with the grant of a broadcast license to certain Affiliates of the Company for VHF Channel 2 in Baltimore, Maryland and the receipt of promissory notes as consideration therefor from any Person other than an Affiliate, provided that at least 50% of the proceeds from such Asset Sale are received in cash.

(b) If all or a portion of the Net Cash Proceeds of any Asset Sale are not required to be applied to repay permanently any Senior Indebtedness then outstanding as required by the terms thereof, or the Company determines not to apply such Net Cash Proceeds to the permanent prepayment of such Senior Indebtedness or if no such Senior Indebtedness is then outstanding, then the Company may within 12 months of the Asset Sale, invest the Net Cash Proceeds in properties and assets that (as determined by the Board of Directors) replace the properties and assets that were the subject of the Asset Sale or in properties and assets that will be used in the businesses of the Company or its Restricted Subsidiaries existing on the date of the Indenture or reasonably related thereto. The amount of such Net Cash Proceeds neither used to permanently repay or prepay Senior Indebtedness nor used or invested as set forth in this paragraph constitutes "Excess Proceeds."

(c) When the aggregate amount of Excess Proceeds equals \$5,000,000 or more, the Company shall apply the Excess Proceeds to the repayment of the Notes and any Pari Passu Indebtedness required to be repurchased under the instrument governing such Pari Passu Indebtedness as follows: (a) the Company shall make an offer to purchase (an "Offer") from all holders of the Notes in accordance with the procedures set forth in the Indenture in the maximum principal amount (expressed as a multiple of \$1,000) of Notes that may be purchased out of an amount (the "Note Amount") equal to the product of such Excess Proceeds multiplied by a fraction, the numerator of which is the outstanding principal amount of the Notes, and the denominator of which is the sum of the outstanding principal amount of the Notes and such Pari Passu Indebtedness (subject to proration in the event such amount is less than the aggregate Offered Price of all Notes tendered) and (b) to the extent required by such Pari Passu Indebtedness to permanently reduce the principal amount of such Pari Passu Indebtedness, the Company shall make an offer to purchase or otherwise repurchase or redeem Pari Passu Indebtedness (a "Pari Passu Offer") in an amount (the "Pari Passu Debt Amount") equal to the excess of the Excess Proceeds over the Note Amount; provided that in no event shall the Pari Passu Debt Amount exceed the principal amount of such Pari Passu Indebtedness plus the amount of any premium required to be paid to repurchase such Pari Passu Indebtedness. The offer price shall be payable in cash in an amount equal to 100% of the principal amount of the Notes plus accrued and unpaid interest, if any, to the date (the "Offer Date") such Offer is consummated (the "Offered Price"), in accordance with the procedures set forth in the Indenture. To the extent that the aggregate Offered

Price of the Notes tendered pursuant to the Offer is less than the Note Amount relating thereto or the aggregate amount of Pari Passu Indebtedness that is purchased is less than the Pari Passu Debt Amount (the amount of such shortfall, if any, constituting a "Deficiency"), the Company shall use such Deficiency in the business of the Company and its Restricted Subsidiaries. Upon completion of the purchase of all the Notes tendered pursuant to an Offer and repurchase of the Pari Passu Indebtedness pursuant to a Pari Passu Offer, the amount of Excess Proceeds, if any, shall be reset at zero.

(d) Whenever the Excess Proceeds received by the Company exceed \$5,000,000, such Excess Proceeds shall be set aside by the Company in a separate account pending (i) deposit with the depository or a paying agent of the amount required to purchase the Notes or Pari Passu Indebtedness tendered in an Offer or a Pari Passu Offer, (ii) delivery by the Company of the Offered Price to the holders of the Notes or Pari Passu Indebtedness tendered in an Offer or a Pari Passu Offer and (iii) application, as set forth above, of Excess Proceeds in the business of the Company and its Restricted Subsidiaries. Such Excess Proceeds may be invested in Temporary Cash Investments, *provided* that the maturity date of any such investment made after the amount of Excess Proceeds exceeds \$5,000,000 shall not be later than the Offer Date. The Company shall be entitled to any interest or dividends accrued, earned or paid on such Temporary Cash Investments, *provided* that the Company shall not withdraw such interest from the separate account if an Event of Default has occurred and is continuing.

(e) If the Company becomes obligated to make an Offer pursuant to clause (c) above, the Notes shall be purchased by the Company, at the option of the holder thereof, in whole or in part in integral multiples of \$1,000, on a date that is not earlier than 45 days and not later than 60 days from the date the notice is given to holders, or such later date as may be necessary for the Company to comply with the requirements under the Exchange Act, subject to proration in the event the Note Amount is less than the aggregate Offered Price of all Notes tendered.

(f) The Company shall comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act, and any other applicable securities laws or regulations in connection with an Offer.

(g) The Company will not, and will not permit any Restricted Subsidiary to, create or permit to exist or become effective any restriction (other than restrictions existing under (i) Indebtedness as in effect on the date of the Indenture listed on a schedule thereto as such Indebtedness may be refinanced from time to time, *provided* that such restrictions are no less favorable to the holders of the Notes than those existing on the date of the Indenture or (ii) any Senior Indebtedness and any Guarantor Senior Indebtedness) that would materially impair the ability of the Company to make an Offer to purchase the Notes or, if such Offer is made, to pay for the Notes tendered for purchase. (Section 1013)

Limitation on Issuances of Guarantees of and Pledges for Indebtedness. (a) The Company will not permit any Restricted Subsidiary, other than the Guarantors, directly or indirectly, to secure the payment of any Senior Indebtedness of the Company and the Company will not, and will not permit any Restricted Subsidiary to, pledge any intercompany notes representing obligations of any Restricted Subsidiary (other than the Guarantors) to secure the payment of any Senior Indebtedness unless in each case such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture to the Indenture providing for a guarantee of payment of the Notes by such Restricted Subsidiary, which guarantee shall be on the same terms as the guarantee of the Senior Indebtedness (if a guarantee of Senior Indebtedness is granted by any such Restricted Subsidiary) except that the guarantee of the Notes need not be secured and shall be subordinated to the claims against such Restricted Subsidiary in respect of Senior Indebtedness to the same extent as the Notes are subordinated to Senior Indebtedness of the Company under the Indenture.

(b) The Company will not permit any Restricted Subsidiary, other than the Guarantors, directly or indirectly, to guarantee, assume or in any other manner become liable with respect to any Indebtedness of the Company (other than guarantees in existence on the date of the Indenture) unless (i) such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture to the Indenture providing for a guarantee of the Notes on the same terms as the guarantee of such Indebtedness except that if the Notes are subordinated in right of payment to such Indebtedness, the guarantee under the supplemental indenture shall be subordinated to the guarantee of such Indebtedness to the

same extent as the Notes are subordinated to such Indebtedness under the Indenture, and (ii) such Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Subsidiary as a result of any payment by such Subsidiary under its Guarantee.

(c) Each guarantee created pursuant to the provisions described in the foregoing paragraph is referred to as a "Guarantee" and the issuer of each such Guarantee is referred to as a "Guarantor." Notwithstanding the foregoing, any Guarantee by a Restricted Subsidiary of the Notes shall provide by its terms that it shall be automatically and unconditionally released and discharged upon (i) any sale, exchange or transfer, to any Person not an Affiliate of the Company, of all of the Company's Equity Interest in, or all or substantially all the assets of, such Restricted Subsidiary, which is in compliance with the Indenture or (ii) (with respect to any Guarantees created after the date of the Indenture) the release by the holders of the Indebtedness of the Company described in clauses (a) and (b) above of their security interest or their guarantee by such Restricted Subsidiary (including any deemed release upon payment in full of all obligations under such Indebtedness), at a time when (A) no other Indebtedness of the Company has been secured or guaranteed by such Restricted Subsidiary, as the case may be, or (B) the holders of all such other Indebtedness which is secured or guaranteed by such Restricted Subsidiary also release their security interest in, or guarantee by, such Restricted Subsidiary (including any deemed release upon payment in full of all obligations under such Indebtedness). (Section 1014)

Restriction on Transfer of Assets. The Company and the Guarantors will not sell, convey, transfer or otherwise dispose of their respective assets or property to any of the Company's Restricted Subsidiaries (other than any Guarantor), except for sales, conveyances, transfers or other dispositions made in the ordinary course of business and except for capital contributions to any Restricted Subsidiary, the only material assets of which are broadcast licenses. For purposes of this provision, any sale, conveyance, transfer, lease or other disposition of property or assets, having a Fair Market Value in excess of (a) \$1,000,000 for any sale, conveyance, transfer, leases or disposition or series of related sales, conveyances, transfers, leases and dispositions and (b) \$5,000,000 in the aggregate for all such sales, conveyances, transfers, leases or dispositions in any fiscal year of the Company shall not be considered "in the ordinary course of business." (Section 1015)

Purchase of Notes Upon a Change of Control. If a Change of Control shall occur at any time, then each holder of Notes shall have the right to require that the Company purchase such holder's Notes in whole or in part in integral multiples of \$1,000, at a purchase price (the "Change of Control Purchase Price") in cash in an amount equal to 101% of the principal amount of such Notes, plus accrued and unpaid interest, if any, to the date of purchase (the "Change of Control Purchase Date"), pursuant to the offer described below (the "Change of Control Offer") and the other procedures set forth in the Indenture.

Within 30 days following any Change of Control, the Company shall notify the Trustee thereof and give written notice of such Change of Control to each holder of Notes, by first-class mail, postage prepaid, at his address appearing in the security register, stating, among other things, the purchase price and that the purchase date shall be a business day no earlier than 30 days nor later than 60 days from the date such notice is mailed, or such later date as is necessary to comply with requirements under the Exchange Act; that any Note not tendered will continue to accrue interest; that, unless the Company defaults in the payment of the purchase price, any Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Purchase Date; and certain other procedures that a holder of Notes must follow to accept a Change of Control Offer or to withdraw such acceptance.

If a Change of Control Offer is made, there can be no assurance that the Company will have available funds sufficient to pay the Change of Control Purchase Price for all of the Notes that might be delivered by holders of the Notes seeking to accept the Change of Control Offer. A Change of Control will also result in an event of default under the Bank Credit Agreement and could result in the acceleration of all indebtedness under the Bank Credit Agreement. See "Description of Outstanding Indebted-

ness — Bank Credit Agreement." Moreover, the Bank Credit Agreement prohibits the repurchase of the Notes by the Company. The failure of the Company to make or consummate the Change of Control Offer or pay the Change of Control Purchase Price when due will result in an Event of Default under the Indenture.

The term "all or substantially all" as used in the definition of "Change of Control" has not been interpreted under New York law (which is the governing law of the Indenture) to represent a specific quantitative test. As a consequence, in the event the holders of the Notes elected to exercise their rights under the Indenture and the Company elected to contest such election, there could be no assurance as to how a court interpreting New York law would interpret the phrase.

The existence of a holder's right to require the Company to repurchase such holder's Notes upon a Change of Control may deter a third party from acquiring the Company in a transaction which constitutes a Change of Control.

"Change of Control" means the occurrence of either of the following events: (i) any "person" or "group" (as such terms are used in Sections 13(d) and 14(d) of the Exchange Act), other than Permitted Holders, is or becomes the "beneficial owner" (as defined in Rules 13d-3 and 13d-5 under the Exchange Act, except that a Person shall be deemed to have beneficial ownership of all shares that such Person has the right to acquire, whether such right is exercisable immediately or only after the passage of time), directly or indirectly, of more than 35% of the total outstanding Voting Stock of the Company, *provided* that the Permitted Holders "beneficially own" (as so defined) a lesser percentage of such Voting Stock than such other Person and do not have the right or ability by voting power, contract or otherwise to elect or designate for election a majority of the Board of Directors of the Company; (ii) during any period of two consecutive years, individuals who at the beginning of such period constituted the Board of Directors of the Company (together with any new directors whose election to such Board or whose nomination for election by the shareholders of the Company, was approved by a vote of 66 2/3% of the directors then still in office who were either directors at the beginning of such period or whose election or nomination for election was previously so approved) cease for any reason to constitute a majority of such Board of Directors then in office; (iii) the Company consolidates with or merges with or into any Person or conveys, transfers or leases all or substantially all of its assets to any Person, or any corporation consolidates with or merges into or with the Company, in any such event pursuant to a transaction in which the outstanding Voting Stock of the Company is changed into or exchanged for cash, securities or other property, other than any such transaction where the outstanding Voting Stock of the Company is not changed or exchanged at all (except to the extent necessary to reflect a change in the jurisdiction of incorporation of the Company) or where (A) the outstanding Voting Stock of the Company is changed into or exchanged for (x) Voting Stock of the surviving corporation which is not Disqualified Equity Interests or (y) cash, securities and other property (other than Equity Interests of the surviving corporation) in an amount which could be paid by the Company as a Restricted Payment as described under "*— Limitation on Restricted Payments*" (and such amount shall be treated as a Restricted Payment subject to the provisions in the Indenture described under "*— Limitation on Restricted Payments*") and (B) no "person" or "group" other than Permitted Holders owns immediately after such transaction, directly or indirectly, more than the greater of (1) 35% of the total outstanding Voting Stock of the surviving corporation and (2) the percentage of the outstanding Voting Stock of the surviving corporation owned, directly or indirectly, by Permitted Holders immediately after such transaction; or (iv) the Company is liquidated or dissolved or adopts a plan of liquidation or dissolution other than in a transaction which complies with the provisions described under "*— Consolidation, Merger, Sale of Assets.*"

"Permitted Holders" means as of the date of determination (i) any of David D. Smith, Frederick G. Smith, J. Duncan Smith and Robert E. Smith; (ii) family members or the relatives of the Persons described in clause (i); (iii) any trusts created for the benefit of the Persons described in clauses (i), (ii) or (iv) or any trust for the benefit of any such trust; or (iv) in the event of the incompetence or death of any of the Persons described in clauses (i) and (ii), such Person's estate, executor, administrator, committee or other personal representative or beneficiaries, in each case who at any particular date shall beneficially own or have the right to acquire, directly or indirectly, Equity Interests of the Company.

The provisions of the Indenture will not afford holders of Notes the right to require the Company to repurchase the Notes in the event of a highly leveraged transaction or certain transactions with the Company's management or its affiliates, including a reorganization, restructuring, merger or similar transaction (including, in certain circumstances, an acquisition of the Company by management or its Affiliates) involving the Company that may adversely affect holders of the Notes, if such transaction is not a transaction defined as a Change of Control. A transaction involving the Company's management or its Affiliates, or a transaction involving a recapitalization of the Company, will result in a Change of Control if it is the type of transaction specified by such definition.

The Company will comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act, and any other applicable securities laws or regulations in connection with a Change of Control Offer.

The Company will not, and will not permit any Subsidiary to, create or permit to exist or become effective any restriction (other than restrictions existing under Indebtedness as in effect on the date of the Indenture) that would materially impair the ability of the Company to make a Change of Control Offer to purchase the Notes or, if such Change of Control Offer is made, to pay for the Notes tendered for purchase. (Section 1016)

Limitation on Subsidiary Equity Interests. The Company will not permit any Restricted Subsidiary of the Company to issue any Equity Interests, except for (i) Equity Interests issued to and held by the Company or a Wholly Owned Restricted Subsidiary, and (ii) Equity Interests issued by a Person prior to the time (A) such Person becomes a Restricted Subsidiary, (B) such Person merges with or into a Restricted Subsidiary or (C) a Restricted Subsidiary merges with or into such Person; *provided* that such Equity Interests were not issued or incurred by such Person in anticipation of the type of transaction contemplated by subclause (A), (B) or (C). (Section 1017)

Limitation on Dividends and Other Payment Restrictions Affecting Subsidiaries. The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any encumbrance or restriction on the ability of any Restricted Subsidiary of the Company to (i) pay dividends or make any other distribution on its Equity Interests, (ii) pay any Indebtedness owed to the Company or a Restricted Subsidiary of the Company, (iii) make any investment in the Company or a Restricted Subsidiary of the Company or (iv) transfer any of its properties or assets to the Company or any Restricted Subsidiary, except (a) any encumbrance or restriction pursuant to an agreement in effect on the date of the Indenture and listed as a schedule thereto; (b) any encumbrance or restriction, with respect to a Restricted Subsidiary that is not a Subsidiary of the Company on the date of the Indenture, in existence at the time such Person becomes a Restricted Subsidiary of the Company and not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary; (c) any encumbrance or restriction existing under any agreement that extends, renews, refinances or replaces the agreements containing the encumbrances or restrictions in the foregoing clauses (a) and (b), or in this clause (c), *provided* that the terms and conditions of any such encumbrances or restrictions are not materially less favorable to the holders of the Notes than those under or pursuant to the agreement evidencing the Indebtedness so extended, renewed, refinanced or replaced or are not more restrictive than those set forth in the Indenture; and (d) any encumbrance or restriction created pursuant to an asset sale agreement, stock sale agreement or similar instrument pursuant to which an Asset Sale permitted under "*Limitations on Sale of Assets*" is to be consummated, so long as such restriction or encumbrance shall be effective only for a period from the execution and delivery of such agreement or instrument through a termination date not later than 270 days after such execution and delivery. (Section 1018)

Limitation on Unrestricted Subsidiaries. The Company will not make, and will not permit any of its Restricted Subsidiaries to make, any Investments in Unrestricted Subsidiaries if, at the time thereof, the aggregate amount of such Investments would exceed the amount of Restricted Payments then permitted to be made pursuant to the "*Limitation on Restricted Payments*" covenant. Any Investments in Unrestricted Subsidiaries permitted to be made pursuant to this covenant (i) will be treated as the payment of a Restricted Payment in calculating the amount of Restricted Payments made by the Company and (ii) may be made in cash or property. (Section 1019)

Provision of Financial Statements. The Indenture provides that, whether or not the Company is subject to Section 13(a) or 15(d), of the Exchange Act, the Company will, to the extent permitted under the Exchange Act, file with the Commission the annual reports, quarterly reports and other documents which the Company would have been required to file with the Commission pursuant to such Section 13(a) or 15(d) if the Company were so subject, such documents to be filed with the Commission on or prior to the respective dates (the "Required Filing Dates") by which the Company would have been required so to file such documents if the Company were so subject. The Company will also in any event (x) within 15 days of each Required Filing Date (i) transmit by mail to all holders, as their names and addresses appear in the Note register, without cost to such holders and (ii) file with the Trustee copies of the annual reports, quarterly reports and other documents which the Company would have been required to file with the Commission pursuant to Section 13(a) or 15(d) of the Exchange Act if the Company were subject to such Sections and (y) if filing such documents by the Company with the Commission is not permitted under the Exchange Act, promptly upon written request and payment of the reasonable cost of duplication and delivery, supply copies of such documents to any prospective holder at the Company's cost. (Section 1020)

Additional Covenants. The Indenture also contains covenants with respect to the following matters: (i) payment of principal, premium and interest; (ii) maintenance of an office or agency in the City of New York; (iii) arrangements regarding the handling of money held in trust; (iv) maintenance of corporate existence; (v) payment of taxes and other claims; (vi) maintenance of properties; and (vii) maintenance of insurance.

Consolidation, Merger, Sale of Assets

The Company shall not, in a single transaction or a series of related transactions, consolidate with or merge with or into any other Person or sell, assign, convey, transfer, lease or otherwise dispose of all or substantially all of its properties and assets to any Person or group of affiliated Persons, or permit any of its Subsidiaries to enter into any such transaction or transactions if such transaction or transactions, in the aggregate, would result in a sale, assignment, conveyance, transfer, lease or disposition of all or substantially all of the properties and assets of the Company and its Subsidiaries on a Consolidated basis to any other Person or group of affiliated Persons, unless at the time and after giving effect thereto: (i) either (1) the Company shall be the continuing corporation or (2) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person which acquires by sale, assignment, conveyance, transfer, lease or disposition of all or substantially all of the properties and assets of the Company and its Subsidiaries on a Consolidated basis (the "Surviving Entity") shall be a corporation duly organized and validly existing under the laws of the United States of America, any state thereof or the District of Columbia and such Person assumes, by a supplemental indenture in a form reasonably satisfactory to the Trustee, all the obligations of the Company under the Notes and the Indenture, and the Indenture shall remain in full force and effect; (ii) immediately before and immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing; (iii) immediately after giving effect to such transaction on a pro forma basis, the Consolidated Net Worth of the Company (or the Surviving Entity if the Company is not the continuing obligor under the Indenture) is equal to or greater than the Consolidated Net Worth of the Company immediately prior to such transaction; (iv) immediately before and immediately after giving effect to such transaction on a pro forma basis (on the assumption that the transaction occurred on the first day of the four-quarter period immediately prior to the consummation of such transaction with the appropriate adjustments with respect to the transaction being included in such pro forma calculation), the Company (or the Surviving Entity if the Company is not the continuing obligor under the Indenture) could incur \$1.00 of additional Indebtedness under the provisions of "— Certain Covenants — *Limitation on Indebtedness*" (other than Permitted Indebtedness); (v) each Guarantor, if any, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under the Indenture and the Notes; (vi) if any of the property or assets of the Company or any of its Subsidiaries would thereupon become subject to any Lien, the provisions of "— Certain Covenants — *Limitation on Liens*" are complied with; and (vii) the Company or the Surviving Entity shall have delivered, or caused to be delivered, to the Trustee, in form and substance reasonably satisfactory to the Trustee, an officers' certificate and an opinion of

counsel, each to the effect that such consolidation, merger, transfer, sale, assignment, lease or other transaction and the supplemental indenture in respect thereto comply with the provisions of the Indenture and that all conditions precedent provided for in the Indenture relating to such transaction have been complied with.

Each Guarantor will not, and the Company will not permit a Guarantor to, in a single transaction or series of related transactions merge or consolidate with or into any other corporation (other than the Company or any other Guarantor) or other entity, or sell, assign, convey, transfer, lease or otherwise dispose of all or substantially all of its properties and assets on a Consolidated basis to any entity (other than the Company or any other Guarantor) unless at the time and giving effect thereto: (i) either (1) such Guarantor shall be the continuing corporation or (2) the entity (if other than such Guarantor) formed by such consolidation or into which such Guarantor is merged or the entity which acquires by sale, assignment, conveyance, transfer, lease or disposition the properties and assets of such Guarantor shall be a corporation duly organized and validly existing under the laws of the United States, any state thereof or the District of Columbia and shall expressly assume by a supplemental indenture, executed and delivered to the Trustee, in a form reasonably satisfactory to the Trustee, all the obligations of such Guarantor under the Notes and the Indenture; (ii) immediately before and immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing; and (iii) such Guarantor shall have delivered to the Trustee, in form and substance reasonably satisfactory to the Trustee, an officers' certificate and an opinion of counsel, each stating that such consolidation, merger, sale, assignment, conveyance, transfer, lease or disposition and such supplemental indenture comply with the Indenture, and thereafter all obligations of the predecessor shall terminate. The provisions of this paragraph shall not apply to any transaction (including an Asset Sale made in accordance with "— Certain Covenants — Limitations on Sale of Assets") with respect to any Guarantor if the Guarantee of such Guarantor is released in connection with such transaction in accordance with paragraph (c) of "— Certain Covenants — Limitations on Issuances of Guarantees of and Pledges for Indebtedness." (Section 801)

In the event of any transaction (other than a lease) described in and complying with the conditions listed in the immediately preceding paragraphs in which the Company or any Guarantor is not the continuing corporation, the successor Person formed or remaining shall succeed to, and be substituted for, and may exercise every right and power of, the Company or such Guarantor, as the case may be, and the Company or such Guarantor, as the case may be, would be discharged from its obligations under the Indenture, the Notes or its Guarantee, as the case may be. (Section 802)

Events of Default

An Event of Default will occur under the Indenture if:

(i) there shall be a default in the payment of any interest on any Note when it becomes due and payable, and such default shall continue for a period of 30 days;

(ii) there shall be a default in the payment of the principal of (or premium, if any, on) any Note at its Maturity (upon acceleration, optional or mandatory redemption, required repurchase or otherwise);

(iii) (a) there shall be a default in the performance, or breach, of any covenant or agreement of the Company or any Guarantor under the Indenture (other than a default in the performance, or breach, of a covenant or agreement which is specifically dealt with in clause (i) or (ii) or in clause (b), (c) or (d) of this clause (iii)) and such default or breach shall continue for a period of 30 days after written notice has been given, by certified mail, (x) to the Company by the Trustee or (y) to the Company and the Trustee by the holders of at least 25% in aggregate principal amount of the outstanding Notes; (b) there shall be a default in the performance or breach of the provisions described in "— Consolidation, Merger, Sale of Assets;" (c) the Company shall have failed to make or consummate an Offer in accordance with the provisions of "— Certain Covenants — Limitation on Sale of Assets;" (d) the Company shall have failed to make or consummate a Change of

Control Offer in accordance with the provisions of "— Certain Covenants — *Purchase of Notes Upon a Change of Control*;" or (e) the Company fails to consummate the Permitted Acquisition on the date the Collateral is released under the Pledge Agreement for said purpose;

(iv) one or more defaults shall have occurred under any agreements, indentures or instruments under which the Company, any Guarantor or any Restricted Subsidiary then has outstanding Indebtedness in excess of \$5,000,000 in the aggregate and, if not already matured at its final maturity in accordance with its terms, such Indebtedness shall have been accelerated;

(v) any Guarantee or the Pledge Agreement shall for any reason cease to be, or be asserted in writing by any Guarantor or the Company not to be, in full force and effect, enforceable in accordance with its terms, except to the extent contemplated by the Indenture, the Pledge Agreement and any such Guarantee;

(vi) one or more judgments, orders or decrees for the payment of money in excess of \$5,000,000, either individually or in the aggregate (net of amounts covered by insurance, bond, surety or similar instrument) shall be entered against the Company, any Guarantor or any Restricted Subsidiary or any of their respective properties and shall not be discharged and either (a) any creditor shall have commenced an enforcement proceeding upon such judgment, order or decree or (b) there shall have been a period of 60 consecutive days during which a stay of enforcement of such judgment or order, by reason of an appeal or otherwise, shall not be in effect;

(vii) any holder or holders of at least \$5,000,000 in aggregate principal amount of Indebtedness of the Company, any Guarantor or any Restricted Subsidiary after a default under such Indebtedness shall notify the Trustee of the intended sale or disposition of any assets of the Company, any Guarantor or any Restricted Subsidiary that have been pledged to or for the benefit of such holder or holders to secure such Indebtedness or shall commence proceedings, or take any action (including by way of set-off), to retain in satisfaction of such Indebtedness or to collect on, seize, dispose of or apply in satisfaction of Indebtedness, assets of the Company or any Restricted Subsidiary (including funds on deposit or held pursuant to lock-box and other similar arrangements);

(viii) there shall have been the entry by a court of competent jurisdiction of (a) a decree or order for relief in respect of the Company, any Guarantor or any Restricted Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or (b) a decree or order adjudging the Company, any Guarantor or any Restricted Subsidiary bankrupt or insolvent, or seeking reorganization, arrangement, adjustment or composition of or in respect of the Company, any Guarantor or any Restricted Subsidiary under any applicable federal or state law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Company, any Guarantor or any Restricted Subsidiary or of any substantial part of their respective properties, or ordering the winding up or liquidation of their affairs, and any such decree or order for relief shall continue to be in effect, or any such other decree or order shall be unstayed and in effect, for a period of 60 consecutive days; or

(ix) (a) the Company, any Guarantor or any Restricted Subsidiary commences a voluntary case or proceeding under any applicable Bankruptcy Law or any other case or proceeding to be adjudicated bankrupt or insolvent, (b) the Company, any Guarantor or any Restricted Subsidiary consents to the entry of a decree or order for relief in respect of the Company, any Guarantor or such Restricted Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or to the commencement of any bankruptcy or insolvency case or proceeding against it, (c) the Company, any Guarantor or any Restricted Subsidiary files a petition or answer or consent seeking reorganization or relief under any applicable federal or state law, (d) the Company, any Guarantor or any Restricted Subsidiary (x) consents to the filing of such petition or the appointment of, or taking possession by, a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company, any Guarantor or such Restricted Subsidiary or of any substantial part of their respective property, (y) makes an assignment for the benefit of creditors or (z)

admits in writing its inability to pay its debts generally as they become due or (e) the Company, any Guarantor or any Restricted Subsidiary takes any corporate action in furtherance of any such actions in this paragraph (ix). (Section 501)

If an Event of Default (other than as specified in clauses (viii) and (ix) of the prior paragraph) shall occur and be continuing, the Trustee or the holders of not less than 25% in aggregate principal amount of the Notes outstanding may, and the Trustee at the request of such holders shall, declare all unpaid principal of, premium, if any, and accrued interest on, all the Notes to be due and payable immediately by a notice in writing to the Company (and to the Trustee if given by the holders of the Notes); *provided* that so long as the Bank Credit Agreement is in effect, such declaration shall not become effective until the earlier of (a) five business days after receipt of such notice of acceleration from the holders or the Trustee by the agent under the Bank Credit Agreement or (b) acceleration of the Indebtedness under the Bank Credit Agreement. Thereupon the Trustee may, at its discretion, proceed to protect and enforce the rights of the holders of Notes by appropriate judicial proceeding. If an Event of Default specified in clause (viii) or (ix) of the prior paragraph occurs and is continuing, then all the Notes shall *ipso facto* become and be immediately due and payable, in an amount equal to the principal amount of the Notes, together with accrued and unpaid interest, if any, to the date the Notes become due and payable, without any declaration or other act on the part of the Trustee or any holder. The Trustee or, if notice of acceleration is given by the holders of the Notes, the holders of the Notes shall give notice to the agent under the Bank Credit Agreement of such acceleration.

After a declaration of acceleration, but before a judgment or decree for payment of the money due has been obtained by the Trustee, the holders of a majority in aggregate principal amount of Notes outstanding, by written notice to the Company and the Trustee, may rescind and annul such declaration if (a) the Company has paid or deposited with the Trustee a sum sufficient to pay (i) all sums paid or advanced by the Trustee under the Indenture and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, (ii) all overdue interest on all Notes, (iii) the principal of and premium, if any, on any Notes which have become due otherwise than by such declaration of acceleration and interest thereon at a rate borne by the Notes and (iv) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate borne by the Notes; and (b) all Events of Default, other than the non-payment of principal of the Notes which have become due solely by such declaration of acceleration, have been cured or waived. (Section 502)

The holders of not less than a majority in aggregate principal amount of the Notes outstanding may on behalf of the holders of all the Notes waive any past default under the Indenture and its consequences, except a default in the payment of the principal of, premium, if any, or interest on any Note, or in respect of a covenant or provision which under the Indenture cannot be modified or amended without the consent of the holder of each Note outstanding. (Section 513)

The Company is also required to notify the Trustee within five business days of the occurrence of any Default. (Section 501) The Company is required to deliver to the Trustee, on or before a date not more than 60 days after the end of each fiscal quarter and not more than 120 days after the end of each fiscal year, a written statement as to compliance with the Indenture, including whether or not any default has occurred. (Section 1021) The Trustee is under no obligation to exercise any of the rights or powers vested in it by the Indenture at the request or direction of any of the holders of the Notes unless such holders offer to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred thereby. (Section 602)

The Trust Indenture Act contains limitations on the rights of the Trustee, should it become a creditor of the Company or any Guarantor, to obtain payment of claims in certain cases or to realize on certain property received by it in respect of any such claims, as security or otherwise. The Trustee is permitted to engage in other transactions, *provided* that if it acquires any conflicting interest it must eliminate such conflict upon the occurrence of an Event of Default or else resign.

Defeasance or Covenant Defeasance of Indenture

The Company may, at its option, at any time, elect to have the obligations of the Company, each of the Guarantors and any other obligor upon the Notes discharged with respect to the outstanding Notes ("defeasance"). Such defeasance means that the Company, each of the Guarantors and any other

obligor under the Indenture shall be deemed to have paid and discharged the entire indebtedness represented by the outstanding Notes, except for (i) the rights of holders of outstanding Notes to receive payments in respect of the principal of, premium, if any, and interest on such Notes when such payments are due, (ii) the Company's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes, and the maintenance of an office or agency for payment and money for security payments held in trust, (iii) the rights, powers, trusts, duties and immunities of the Trustee, and (iv) the defeasance provisions of the Indenture. In addition, the Company may, at its option and at any time, elect to have the obligations of the Company and any Guarantor released with respect to certain covenants that are described in the Indenture ("covenant defeasance") and any omission to comply with such obligations shall not constitute a Default or an Event of Default with respect to the Notes. In the event covenant defeasance occurs, certain events (not including non-payment, enforceability of any Guarantee, bankruptcy and insolvency events) described under "— Events of Default" will no longer constitute an Event of Default with respect to the Notes. (Sections 401, 402 and 403)

In order to exercise either defeasance or covenant defeasance, (i) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the holders of the Notes, cash in United States dollars, U.S. Government Obligations (as defined in the Indenture), or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants or a nationally recognized investment banking firm expressed in a written certification thereof delivered to the Trustee, to pay and discharge the principal of, premium, if any, and interest on the outstanding Notes on the Stated Maturity of such principal or installment of principal or interest (or on any date after December 15, 1998 (such date being referred to as the "Defeasance Redemption Date"), if when exercising either defeasance or covenant defeasance, the Company has delivered to the Trustee an irrevocable notice to redeem all of the outstanding Notes on the Defeasance Redemption Date); (ii) in the case of defeasance, the Company shall have delivered to the Trustee an opinion of independent counsel in the United States stating that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (B) since the date of the Indenture, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion of independent counsel in the United States shall confirm that, the holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred; (iii) in the case of covenant defeasance, the Company shall have delivered to the Trustee an opinion of independent counsel in the United States to the effect that the holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such covenant defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred; (iv) no Default or Event of Default shall have occurred and be continuing on the date of such deposit or insofar as clause (vii) or (viii) under the first paragraph under "— Events of Default" are concerned, at any time during the period ending on the 91st day after the date of deposit; (v) such defeasance or covenant defeasance shall not cause the Trustee for the Notes to have a conflicting interest with respect to any securities of the Company or any Guarantor; (vi) such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a Default under, the Indenture or any other material agreement or instrument to which the Company or any Guarantor is a party or by which it is bound; (vii) the Company shall have delivered to the Trustee an opinion of independent counsel to the effect that (A) the trust funds will not be subject to any rights of holders of Senior Indebtedness or Guarantor Senior Indebtedness, including, without limitation, those arising under the Indenture and (B) after the 91st day following the deposit, the trust funds will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally; (viii) the Company shall have delivered to the Trustee an officers' certificate stating that the deposit was not made by the Company with the intent of preferring the holders of the Notes or any Guarantee over the other creditors of the Company or any Guarantor with the intent of defeating, hindering, delaying or defrauding creditors of the Company, any Guarantor or others; (ix) no event or condition shall exist that would prevent the Company from making payments of the principal of, premium, if any, and interest on the Notes on the

date of such deposit or at any time ending on the 91st day after the date of such deposit; and (x) the Company shall have delivered to the Trustee an officers' certificate and an opinion of independent counsel, each stating that all conditions precedent provided for relating to either the defeasance or the covenant defeasance, as the case may be, have been complied with. (Section 404)

Satisfaction and Discharge

The Indenture will cease to be of further effect (except as to surviving rights of registration of transfer or exchange of Notes, as expressly provided for in the Indenture) as to all outstanding Notes when (a) either (i) all the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid) have been delivered to the Trustee for cancellation or (ii) all Notes not theretofore delivered to the Trustee for cancellation (x) have become due and payable, or (y) will become due and payable at their Stated Maturity within one year, or (z) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Trustee for cancellation, including principal of, premium, if any, and accrued interest at such Stated Maturity or redemption date; (b) the Company or any Guarantor has paid or caused to be paid all other sums payable under the Indenture by the Company or any Guarantor; and (c) the Company has delivered to the Trustee an officers' certificate and an opinion of counsel stating that (i) all conditions precedent under the Indenture relating to the satisfaction and discharge of the Indenture have been complied with and (ii) such satisfaction and discharge will not result in a breach or violation of, or constitute a default under, the Indenture or any other material agreement or instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound. (Section 1301)

Modifications and Amendments

Modifications and amendments of the Indenture may be made by the Company, any Guarantor and the Trustee with the consent of the holders of not less than a majority in aggregate principal amount of the outstanding Notes; *provided, however*, that no such modification or amendment may, without the consent of the holder of each outstanding Note affected thereby: (i) change the Stated Maturity of the principal of, or any installment of interest on, any Note or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or change the coin or currency in which the principal of any Note or any premium or the interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment after the Stated Maturity thereof (or in the case of redemption, on or after the redemption date); (ii) amend, change or modify the obligation of the Company to make and consummate an Offer with respect to any Asset Sale or Asset Sales in accordance with "— Certain Covenants — *Limitation on Sale of Assets*" or the obligation of the Company to make and consummate a Change of Control Offer in the event of a Change of Control in accordance with "— Certain Covenants — *Purchase of Notes Upon a Change of Control*," including amending, changing or modifying any definitions with respect thereto; (iii) reduce the percentage in principal amount of outstanding Notes, the consent of whose holders is required for any such supplemental indenture, or the consent of whose holders is required for any waiver or compliance with certain provisions of the Indenture or certain defaults or with respect to any Guarantee; (iv) modify any of the provisions relating to supplemental indentures requiring the consent of holders or relating to the waiver of past defaults or relating to the waiver of certain covenants, except to increase the percentage of outstanding Notes required for such actions or to provide that certain other provisions of the Indenture cannot be modified or waived without the consent of the holder of each Note affected thereby; (v) except as otherwise permitted under "— Consolidation, Merger, Sale of Assets," consent to the assignment or transfer by the Company or any Guarantor of any of its rights and obligations under the Indenture; or (vi) amend or modify any of the provisions of the Indenture relating to the subordination of the Notes or any Guarantee in any manner adverse to the holders of the Notes or any Guarantee. (Section 902)

The holders of a majority in aggregate principal amount of the Notes outstanding may waive compliance with certain restrictive covenants and provisions of the Indenture. (Section 1022)

The Indenture, the Notes and the Guarantees will be governed by, and construed in accordance with the laws of the State of New York, without giving effect to the conflicts of law principles thereof.
