MM Docket No. 94-127

In the Matter of

Amendment of Section 73.202(b), RM-8537
Table of Allotments,
FM Broadcast Stations.
(Wright City, Oklahoma)

NOTICE OF PROPOSED RULE MAKING

Adopted: November 3, 1994; Released: November 14, 1994

Comment Date: January 5, 1995
Reply Comment Date: January 20, 1995

By the Acting Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Texarkana Broadcasting, Incorporated ("petitioner") requesting the allotment of Channel 277A to Wright City, Oklahoma, as the community's first local aural service. Petitioner states that it will apply for the channel, if allotted.

TECHNICAL SUMMARY

2. Channel 277A can be allotted to Wright City in compliance with the Commission's minimum distance separation requirements with a site restriction of 0.7 kilometers (0.5 miles) southeast to avoid a short-spacing to Station KTFX, Channel 277C, Tulsa, Oklahoma.¹ We note that petitioner requested a transmitter site 9.7 kilometers east of the community. However, it is the Commission's policy not to protect a prospective applicant's desired transmitter site but to propose the allotment with the least site restriction necessary where an allotment will be open to application by multiple parties. See *Boone and Stuart, Iowa*, 5 FCC Rcd 4537 (1990), *recon. den.*, 6 FCC Rcd 6036 (1991).

3. We believe the public interest would be served by proposing the allotment of Channel 277A to Wright City, Oklahoma, since it could provide the community with its first local aural broadcast service. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

City	Channel No.	
	Present	Proposed
Wright City, Oklahoma	--	277A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before January 5, 1995, and reply comments on or before January 20, 1995, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

William J. Pennington, III, Esq.
5519 Rockingham Road-East
Greensboro, NC 27407
(Counsel to petitioner)

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Leslie K. Shapiro, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

(b) With respect to petitions for rule making which conflict with the proposal(s) in this *Notice*, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. *Comments and Reply Comments; Service.* Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached.
