- > Dear Ms. Chong,
- >
- > I am urging you to defend the best interests of our nation's children by
- > strengthening the guidelines for the Children's television Act.
- >
- > The market forces, which govern how shows are developed and aired, are
- > biased against educational programming for children. We can't leave the
- > educational needs of our children in the unseen hands of market forces.
- > Inaction has already led to the dominance of shows cynically designed to
- > serve as marketing vehicles for toys, candy, and other products.
- >
- > The FCC must stand up for children and provide broadcasters with a
- > clearer definition of "educational" programming and make sure that
- > television stations air at least one hour a day of these shows between 7
- > A.M. and 10 P.M. in regularly scheduled time slots. America's children
- > are counting on you.
- >
- > Sincerely,
- > Elizabeth Drake
- > Executive Director
