Re: MM Docket No. 87-268; ET Docket No. 93-7 -- Ex Parte Presentation

Dear Mr. Caton:

On Wednesday, December 21, 1994, representatives of the Consumer Electronics Group of the Electronic Industries Association ("EIA/CEG") made an ex parte presentation to Maureen O'Connell of Commissioner James H. Quello's office regarding standards for Standard Definition Television and the Decoder Interface for cable-ready televisions. Representing EIA/CEG were Joseph P. Clayton, Gerald M. McCarthy, Ronald L. Massiglio, Gary J. Shapiro and George A. Hanover. The views expressed on behalf of EIA/CEG are reflected in the Association's filings with the Commission, as well as in the attached outline.

Please let us know if you have any questions.

Sincerely,

Joseph P. Markoski
