In PR Docket 82-235

~~SECRET~~ FILE COPY ORIGINAL

Dear Mr. Secretary:

SEA, Inc., ("SEA"), through its undersigned counsel, hereby notifies the Commission that an oral ex parte presentation was made to certain staff members of the Commission's Wireless Telecommunications Bureau by David C. Thompson, President and Chief Executive Officer, and David Brown, Chairman of the Board. Summarized briefly, the presentation consisted of a description of the status of deployment of SEA's five kHz mobile radio equipment in use in the 220 MHz service, and a report on the status of development of a portable mobile radio to be used in connection with that service.

Respectfully submitted,

Thomas J. Keller
