RE: Ex Parte Presentation
State Petitions to Retain Rate Regulatory Control -- PR Dockets Nos. 94-101;
94-103, 94-104; 94-106 and 94-107

Dear Mr. Caton:

Pursuant to the requirements of Sections 1.1200 et seq. of the Commission's Rules, you are hereby notified that on behalf of McCaw Cellular Communications, Inc., Gerry Salemme, AT&T Corp. Vice President - Federal Relations, Scott Morris, Senior Vice President - External Affairs and Howard Symons of Mintz, Levin, Glovsky, Ferris & Popeo met yesterday with Jill Luckett, Special Advisor to Commissioner Chong. During the course of the meeting, the representatives of McCaw reiterated the view, expressed in McCaw's comments concerning the above-referenced petitions, that the petitions should be denied because none of the states had met the statutory burden of proof for retaining rate regulatory authority.

Should there be any questions regarding this matter, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Cathleen A. Massey".
