Re: ET Docket No. 94-124
CC Docket No. 92-297
Ex Parte Presentation

Dear Mr. Caton:

On April 14, 1995, John O'Rourke, Rory Van Tuyl, and Cynthia Johnson met on behalf of Hewlett Packard ("HP") with Rudy Baca, Legal Advisor to Commissioner James H. Quello, to discuss the Commission's proposal to permit use of radio frequencies above 40 GHz. In addition to matters addressed in HP's comments in ET Docket No. 94-124, HP expressed its support for the development of a band sharing plan that would accommodate both satellite systems and LMDS systems in the 28 GHz band.

If there are any questions in this regard, please contact the undersigned.

Sincerely,

Henry Goldberg
