DOCKET FILE COPY ORIGINAL

Subject: RM-8626
POSITION: OPPOSED

Sir,

As president of the Straits Area Amateur Radio Club,
we stand firmly 'opposed' to The Petition of Mr. Fred Maia.

Further; it personally greives me to think that a licensed
'amateur' would even consider a proposal such as this.

Too silence a radio station such as WAAW, is unthinkable.

Sincerely,

H. Leiber N80IV
president
