MOTION TO ACCEPT LATE-FILED COMMENTS

Brooks Broadcasting, LLC ("Brooks") by its attorneys, hereby moves the Commission to accept its late-filed comments in response to the Further Notice of Proposed Rule Making, 60 Fed. Reg. 6490, released January 17, 1995, in the above-captioned proceeding.

Brooks was delayed in printing its comments yesterday when the computer in which the document was stored froze. Nevertheless, Brooks' messenger managed to arrive at the FCC by 5:30 with the comments. Unfortunately, by the time he arrived at the Secretary's office, it was closed.

The Comments are being submitted early on May 18th, so as to permit their distribution to the Reference Room substantially contemporaneous with comments that were received on May 17. Thus, no prejudice should accrue from consideration of these Comments.

In view of the foregoing, Brooks requests that the Commission accept the attached Comments.
