Re: Notice of Ex Parte Presentation

Implementation of Sections 3(n) and 332 of the Communications Act
Regulatory Treatment of Mobile Services, GN Docket No. 93-252

Dear Mr. Caton:

On May 23, 1995, on behalf of McCaw Cellular Communications, Inc. ("McCaw"), Howard Symons and I met with Regina Keeney, Chief, Wireless Telecommunications Bureau; Larry Atlas, Associate Chief, Wireless Telecommunications Bureau; and Barbara Esbin, Attorney, Wireless Telecommunications Bureau, to discuss the applicability of mutual compensation principles to intrastate wireless-landline traffic. The arguments presented at the meeting are contained in McCaw's Petition for Clarification in the above-referenced docket, filed on May 19, 1994.

Should you have any questions regarding this matter, please contact me.

Sincerely,

Sara F. Seidman
