Re: Holly Hill, Florida  
MM Do. No. 94-88

Dear Counsel:

The Review Board has before it your letter dated June 9, 1995 filed on behalf of Community Education Association requesting an extension of time to and including June 23, 1995 within which to respond to the Board's letter dated June 2, 1995.

You recite that CEA and WCPX Licensee Partnership have been discussing the interference problem and as a result of these negotiations, the parties have reached a settlement agreement in principle. You state it is your hope that rather than filing responsive pleadings to the petitions for intervention and reconsideration filed by WCPX, the parties will instead be filing settlement documents with the Board.

For good cause shown, your request is granted and the time to file responses to the Board's June 2 letter or settlement documents is extended to June 23, 1995.

By Direction of the Review Board

Chief for Law
