Re: Ex Parte Presentation in PR Docket No. 92-235 (Replacement of Part 90 by Part 88 to Revise the Private Land Mobile Radio Services)

Dear Mr. Caton:

On June 7, 1995, Merle Gilmore, Michael Kennedy, Richard Wiley and the undersigned met with Commissioner Chong and Jill Lockett of the FCC to discuss issues related to the above-captioned proceeding. In particular, we discussed the timing for the transition to new narrowband land mobile technology. This discussion was largely based on Motorola's comments previously filed in this proceeding.

Please call me at the above-referenced number should you have any questions on this matter.

Sincerely,

R. Michael Senkowski  
Counsel to Motorola, Inc.

Jill Lockett
