Re: Ex Parte Presentation - CC Docket 94-102

Dear Mr. Caton:

At the request of Mr. Alan Thomas of the Common Carrier Bureau, AT&T Corp. ("AT&T") provided to Mr. Thomas certain information sought by him regarding Enhanced 911 Calling and MLTS equipment and features. That occurred in a telephone conference today. The AT&T representatives on that conference were Anthony Caggiano and me.

In addition to this original letter, I enclose a copy thereof, and a second copy is being provided to Mr. Thomas.

Very truly yours,

Ernest A. Giebt
