EX PARTE OR LATE FILED

Re: Ex Parte Presentation - CC Docket 94-102

Dear Mr. Caton:

At the request of Mr. Alan Thomas of the Common Carrier Bureau, AT&T Corp. ("AT&T") provided him with certain information regarding the use of dedicated trunks to support enhanced 911 calling from Private Branch Exchange (PBX) equipment. I provided him that information in a personal telephone conversation earlier today.

In addition to this original letter, I enclose a copy thereof, and a second copy is being provided to Mr. Thomas.

Very Truly Yours,

A. G. Caggiano / smc
