Re: In the Matter of Broadband Personal Communications Services C Block Auction and Grant of A and B Block Licenses (PP Docket No. 93-253, ET Docket No. 92-100)

Dear Mr. Caton:

On behalf of American Portable Telecommunications, Inc. ("APT"), this letter is written to confirm that the hand deliveries shown in our Certificate of Service contained in the "Response of American Portable Telecommunications, Inc." dated August 14, 1995 in the above-referenced matter were made on August 15, 1995.

APT's pleading was filed in response to the August 2, 1995 "Emergency Motion to Reschedule C Block Auction or Review and Condition Grant of A and B Block Licenses" filed by the Rural Ad Hoc PCS Consortium.

Through inadvertence, the Commissioners and Commission staff listed on APT's Certificate of Service were not hand served copies of the Response on August 14, as indicated in the Certificate, but were hand served on the morning of August 15. A copy of APT's Response was mailed to the movant's counsel on August 14.

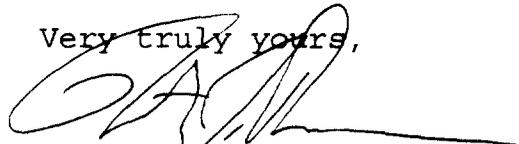

Since we are advised that the Commission is treating the "Emergency Motion" as an informal request under Section 1.41 of the Rules, we have provided the additional hand service copies for the Commission's convenience.
