ORDER

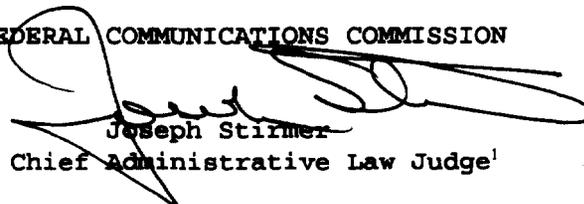

Issued: August 31, 1995 ; Released: September 1, 1995

Under consideration is the unopposed Motion to Defer Briefing Date, filed August 30, 1995, by the parties in the above-captioned proceeding.

The parties advise that they have reached settlement in principle. They report that they have agreed on all rate issues, but are still working through ministerial calculations of payments made, refunds and interest. The parties request additional time to resolve various discrepancies that have arisen with respect to methods of calculation, and request that the briefing date be deferred pending filing by September 13, 1995, of the complete settlement and entry of an Order based upon the settlement.

For good cause having been shown, IT IS ORDERED that the Motion to Defer Briefing Date IS GRANTED.
