Re: CC Docket 95-116; Telephone Number Portability

Dear Mr. Caton:

Today, Gerry Saleme, Julie Ladieu-Walton, and Bruce Cox of AT&T and James Lewis, Doug Black and I, all of MCI, met with Kathleen Wallman, Richard Metzger, Carol Matthey, Matt Harthun, Melissa Newman, and Phil Chilik of the Common Carrier Bureau. The purpose of the meeting was to review AT&T's and MCI's position on local number portability and describe the proposal made in our respective comments in this proceeding. We explained the workings and availability of the Carrier Portability Code (CPC) and the Local Routing Number (LRN) plan and explained how they complement each other as immediate and long term solutions for local number portability.

Sincerely,

Leonard S. Sawicki
