**RE: PR DOCKET NO. 93-305**  
**MEMORANDUM OPINION AND ORDER**  
**ADOPTED SEPTEMBER 21, 1995; RELEASED OCTOBER 2, 1995**

Dear Mr. Secretary:

On October 18, 1995, we filed with your office by Certified Mail, our Petition for Reconsideration, directed to a portion of the captioned Memorandum and Order.

Yesterday, October 23rd, we similarly filed by Federal Express shipment, an Amended Petition for Reconsideration, amending by substitution, the original Petition mailed October 18th.

Based on my understanding that both of the foregoing pleadings were timely filed under Section 405A of the Act, we now write to verify that the Commission will consider the Amended Petition in the place and stead of the original Petition. Should we not be correct in this regard, please be kind enough to let me know.

I thank you in advance for the anticipated courteous and patient cooperation of your staff.

Very Truly Yours,

CHARNELLE H. SUMMERS, JR.
