Dear Mr. Caton:

On this date, Mark Crosby and I met with David Furth, Legal

regarding the consolidation of radio services under consideration  
in PR Docket No. 92-235. We also discussed other issues raised  
in the comments previously filed by ITA in this proceeding.

In addition, Mr. Crosby and I discussed the consequences of  
the freeze imposed October 4, 1995 on the filing of applications  
for the General Category frequencies in the 800 MHz band.

In accordance with Section 1.1206(a)(2) of the Commission's
