Re: CC Docket 92-77; CC Docket 91-35

Dear Mr. Caton:

Today, I met with Richard Welch of Commissioner Chong's office. The purpose of the meeting was to review MCI's positions on billed party preference and payphone compensation. The discussion covered points already made on the records of these proceedings and included a review of MCI's January 11, 1996 letter to Regina Keeney, Chief of the Common Carrier Bureau, concerning the appropriate level of payphone compensation.

Sincerely,

Leonard S. Sawicki
