Re: CC Docket No. 94-1

Dear Mr. Caton:

Today, Frank Gumper and I, representing the NYNEX Telephone Companies (NTCs), met with Messrs. D. Sieradzki and D. Stockdale of the Program and Policy Planning Division regarding the NTC's suggested approach for implementing aspects of the Telecommunications Act of 1996. In the course of the discussion NYNEX reiterated its views on dealing with the inter-related issues of Price Caps, Pricing Flexibility, and Access Reform. The views put forth in this area were those already made part of the record in comments in the Second Further Notice of Proposed Rulemaking in the docket captioned above.

Any questions on this matter should be directed to me at either the address or the telephone number shown above.

Sincerely,
