Re: CC Docket No. 95-116 , Telephone Number Portability

Dear Mr. Caton:

On March 19, 1996, Spencer Kaitz, Alan Gardner, and Jerry Yanowitz of the California Cable Television Association, and John Bickham of Time Warner met with Chairman Reed E. Hundt and John Nakahata of the Chairman's Office to discuss telephone number portability and other issues. In particular, the proposed "LRN" system and the inadequacies of the Pacific Telesis "Release to Pivot" proposal were discussed.

Pursuant to Section 1.1206(a)(1) of the Commission's Rules, two copies of this notice are being submitted. Due to the necessity for many of the meeting participants to travel, this letter is being filed today, the earliest practical date following the meeting. We regret any inconvenience this may cause.

Please stamp and return the provided copy to confirm your receipt. Please contact the undersigned should you have any questions or require additional information concerning this matter.

Sincerely,

Donna N. Lampert
