

LOCAL EXCHANGE RATES

(MT) 3. EXCHANGE RATES (Continued)

(FC) 3.5 Local Exchange Service Features (Continued)

B. Improved Transmission Service (1) (Continued)

3. Rates: The rates set forth below apply to each line for which improved transmission service is provided.

	<u>USOC</u>	<u>Monthly Rate</u>
Improved Transmission (2)		
Voice Grade .....	LOS	\$3.50
Nonvoice .....	CQ4	3.50

C. Line Supervision

To change line supervision from loop start to ground start, or vice versa, on an existing exchange access line, the following charge applies:

<u>USOC</u>	<u>Installation Charge (3)</u>
NRCGL	\$19.00

D. Open Switch Interval Protection

1. Open Switch Interval Protection provides additional equipment on a customer's local exchange access line necessary to overcome the occurrence of open switching intervals resulting from an incompatibility of certain customer-provided equipment with the Telephone Company central office.

2. Rates: The rates set forth below apply to each line for which open switch interval protection is provided.

<u>USOC</u>	<u>Monthly Rate</u>	<u>Installation Charge (3)</u>
53W	\$3.70	\$7.00

(RT)

(1) Telephone Company changes, upgrades or replacements made in facilities to utilize services will provide adequate service for normal conversation with unconditioned services.  
 (FC) (2) Service Charges apply as specified in section 3.2 of this Tariff.  
 (FC) (3) Installation Charges apply in addition to Service Charges as specified in section 3.2. of this Tariff.

LOCAL EXCHANGE SERVICE

(AT) 3. EXCHANGE RATES (Continued)

3.6 Lifeline Service

A. General

1. Lifeline Service is a telecommunications service assistance program designed to provide eligible residential customers with a reduction in the price of basic local exchange service. The purpose of this offering is to maintain and preserve universal service.
2. Eligible customers will receive a \$3.50 discount off the normal applicable tariffed rate for their local exchange service.
3. Applicants shall not be provided with more than one basic residential access line in his or her principal place of residence. An applicant for Lifeline Service may report only one address in the state as the principal place of residence.
4. All charges, either recurring or nonrecurring, for any service or feature other than Lifeline Service, as described herein, shall be billed at the tariffed rate.
5. Lifeline Service shall not be available on a retroactive basis.

B. Eligibility Requirements

1. Lifeline Service will be provided to those applicants who meet criteria in a. and b., following.
  - a. Provide proof of his or her participation in one of the following programs:
    1. Aid to Families with Dependent Children (AFDC)
    2. Food Stamps
    3. Medical Assistance
    4. Supplemental Security Income (SSI)
    5. Vocational Rehabilitation (including aid to the hearing impaired).
  - b. The applicant must not be a dependent for Federal Income Tax purposes, unless over the age of 60.
2. Upon verification of the applicant's criteria stated above, SWBT will begin providing the reduction. Lifeline billing will not be implemented or continued unless telephone service arrangements are and remain, within the Lifeline Service criteria specified above.
3. Lifeline customers who have met the eligibility criteria specified, will remain eligible for a period of 12 months from the date of certification. Recertification is required annually or at any time the qualifying criteria changes.
4. Lifeline customers will be converted to standard residential service rates once they no longer qualify for Lifeline Service. No service charges will apply for this change in service.
5. Lifeline Service has been certified by the FCC, therefore, eligible Lifeline customers will receive the appropriate waiver of the Subscriber Line charge (SLC) as specified by the FCC.
