Re: Ex Parte CC Docket 94-1

Dear M. Caton:

AT&T provided today to A. Bush of the Tariff Branch a disk containing explanatory statements regarding calculations for a materials price index including sources of the deflators used in the calculation and explanatory material from the Bureau of Labor Statistics. The disk also contained an explanation of the Chi-squared test used by AT&T in its analysis. This material supports AT&T's TFP study.

In accordance with Section 1.1206(a)(1) of the Commission's rules, two(2) copies of this notice are being submitted to the Secretary of the FCC today.

Sincerely yours,

Brian W Masterson

cc: A. Bush
