Re: *Telecommunications Services Inside Wiring
Customer Premises Equipment*
CS Docket No. 95-184

Dear Mr. Caton:

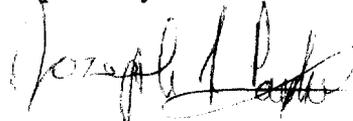

DOCKET FILE COPY ORIGINAL

This is to inform the Commission that Media Access Project ("MAP") and Consumer Federation of America ("CFA") wish to be associated with the views expressed in other reply comments filed in the above-referenced proceeding.

MAP and CFA endorse in full the **Reply Comments of United States Telephone Association** filed today in this proceeding.

MAP and CFA also endorse the **Reply Comments of Bartholdi Cable Company, Inc.**, filed today in this docket, to the extent that those comments address the authority of the Commission to relocate the cable demarcation point under the 1992 Cable Act, the application of the Joint Use Exemption to Section 652 of the Telecommunications Act, and how to neutralize the present bottleneck nature of individually dedicated lines.

Respectfully Submitted,

Joseph S. Paykel
Gigi B. Sohn
Andrew Jay Schwartzman

Counsel for MAP and CFA
