MD Docket No. 96-84

ERRATUM

Released: April 12, 1996

This *Erratum* corrects the Notice of Proposed Rule Making (NPRM) in the above-captioned proceeding, FCC 95-153 (rel. April 9, 1996). In the Table of Contents, revise Topic III. Discussion, so that the paragraph numbers read 8-60; revise Topic IV. Procedural Matters, so that the paragraph numbers read 61-65; delete Topic IV. D. Paperwork Reduction Act Compliance and paragraphs 64-67; and redesignate Topic IV. E. Authority and Further Information to be Topic IV. D. and assign Paragraphs 64-65.

Further, in the text of the NPRM, delete paragraphs 64 through 67 and the preceding header "D. Paperwork Reduction Act Compliance;" redesignate header "E. Authority and Further Information" to be "D. Authority and Further Information;" and renumber paragraphs 68 and 69 as paragraphs 64 and 65, respectively.

These corrections are necessary because the Commission has determined that the requirements contained in the NPRM do not contain a new or modified collection of information subject to the Paperwork Reduction Act of 1995. Therefore, there will be no OMB-83, "Paperwork Reduction Act Submission" prepared or copies available from the Commission.
