In re: WAYB(AM)  
Waynesboro, Virginia

Dear Sir or Madame:

This letter concerns your pending request for authority to remain silent. Temporary authority is hereby granted for the above-referenced station(s) to remain silent for six months from the date of this letter.

Any further requests for extension of this authority must be accompanied by a detailed summary of steps taken to return the station to on-air operations.

On December 11, 1991, the Commission adopted a Report and Order (copy attached) which amended Part 1 of the Commission's Rules, to implement Section 5301 of the Anti Drug Abuse Act of 1988. Pursuant to the Report and Order, any requests for extension of this authority must be accompanied by a certification that neither the applicant nor any party to the request is subject to a denial of Federal benefits under Section 5301. Please use the attached certification page to comply with this requirement, if you need to request an extension of this authority.

It will be necessary to maintain prescribed tower lighting in accordance with the station's license authorization. If an extension is not required, you are requested to notify the Commission, in writing, of the exact date the station resumes on-air operations.

In the event that any AM station remains silent for a period over 6 months, it will be necessary to file with the Commission, prior to returning the station to on-air operations, an FCC Form 302 for direct measurement of power which should include a partial proof of performance for stations with directional antennas.

Sincerely,

James R. Burtle  
Chief, AM Branch

Dear Sir or Madam:

Pursuant to Section 73.1635 of the Rules, Hometown Media Inc. (hereafter Hometown), respectfully requests the Commission to renew the Special Temporary Authority to operate standard broadcast Station WAYB, Waynesboro, Virginia, with the temporary facilities described in its STA request filed October 22, 1993. Dear Licensee:

It has come to our attention that the above-referenced station has been off the air without authority.

To verify our records, you are required to submit the following information, as applicable:

- (1) If the station is currently operating, please state the date it resumed operations and whether these operations comply with the minimum operating schedule requirements of Section 73.1740 (Commercial AM and FM Stations) or Section 73.561 (Noncommercial Educational FM Stations). Please provide a copy of any letter notifying the Commission that the station resumed broadcast operations.
- (2) If the station is currently silent with authority, please submit a copy of the Commission letter authorizing this silence. If a request to remain silent was filed more than four months since the date of this letter, please submit an updated justification for continuing to remain off the air.
- (3) If the station is silent and has not filed a request for either an initial temporary authorization or to extend a prior temporary authorization, please submit such a request, detailing the necessity for the station's continued silence and providing an estimate when broadcast operations will be resumed. If the station has permanently discontinued operations, please notify the Commission, forwarding the station's license and other instruments of authorization to the Commission for cancellation pursuant to Section 73.1750 of the Rules.

Please note that, pursuant to the Report and Order (copy attached), adopted by the Commission on December 11, 1991, requests for new and extended temporary authorizations must be accompanied by the appropriate certification (suggested format enclosed) regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

The requested information must be submitted to the Commission, pursuant to Section 73.1015 of the Rules, within thirty days of the date of this letter.<sup>1</sup> Failure to respond or to submit a showing sufficient to justify authorization of continued station silence will result in appropriate action by the Commission to terminate your authority to continue as a licensee.
