Dear Mr. Caton:

On Tuesday, June 4, 1996, Ms. Michele Farquhar, Chief of the Wireless Telecommunications Bureau, spoke with CTIA's Small Operators Caucus concerning regulatory issues relating to small entrepreneurs in the wireless industry. Following her presentation, there was a question and answer period in which members of CTIA's Small Operators Caucus discussed issues raised in the above-captioned proceedings. The discussion reflected positions already on the record in the above-captioned proceedings. Attached is a list of attendees at Ms. Farquhar's presentation.

Pursuant to Section 1.1206 of the Commission's Rules, an original, one copy of this letter, and the attachment are being filed with your office. If there are any questions concerning this filing, please contact me at (202) 736-3215.
