Re: Ex Parte Presentation in CC Dockets 95-185 and 94-54  
(Interconnection Between LECs and CMRS Providers) and 96-98  
(Implementation of the Local Competition Provisions in the  
Telecommunications Act of 1996).

Dear Mr. Caton:

This afternoon Philip L. Verveer and myself met with the following members of the Wireless Telecommunications Bureau: Karen Brinkmann, Jay Markley, Walter Strack, Kathryn O'Brian, and Zenji Nakazawa. We discussed issues being addressed in the above-captioned dockets, including the factual distinctions between ILEC-CLEC interconnection and LEC-CMRS interconnection in terms of traffic balances and termination costs, arbitrage issues, and jurisdictional issues.

The discussion reflected the position of the Cellular Telecommunications Industry Association ("CTIA") already on the record in the above-captioned proceedings.

Pursuant to Section 1.1206 of the Commission's Rules, an original and one copy of this letter are being filed with your office. Please call if you have any questions.

Sincerely,

Jennifer A. Donaldson
