FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF SECRETARY

Re: Docket No. CC 96-112 - Allocation of Costs Associated with
Local Exchange Carrier Provision of Video Programming Services

Dear Mr. Caton:

On July 2, 1996, on behalf of Continental Cablevision, Inc., Brenda Fox, Vice President - Federal Relations; David Fellows, Senior Vice President of Engineering and Technology; and I met with James Coltharp, Advisor to Commissioner Quello, to discuss the Commission's Notice of Proposed Rulemaking in the above-captioned docket. Specifically, we discussed the comments filed by Continental Cablevision and the arguments raised in the reply comments regarding allocations based upon circuit connections and subscribers.

Pursuant to Section 1.1206(a)(2) of the Commission's Rules, two copies of the written documents discussed or distributed are attached for inclusion in the public record in the above-captioned proceedings.

Should you have any questions regarding this matter, please contact me.

Sincerely,

Donna N. Lampert
