Dear Mr. Caton:

On Wednesday, July 3, 1996, the Cellular Telecommunications Industry Association ("CTIA") represented by Mr. Thomas E. Wheeler, President and CEO, Mr. Brian Fontes, Senior Vice President of Policy and Administration, and Mr. Philip Verveer, CTIA's Counsel met with Commissioner Susan Ness and her Senior Legal Advisor, James Casserly, to discuss issues relating to Section 332 and Section 251 jurisdiction over LEC-CMRS interconnection. The discussion reflected CTIA's position already on the record in the above-captioned proceedings.

Pursuant to Section 1.1206 of the Commission's Rules, an original and one copy of this letter are being filed with your office. If there are any questions concerning this filing, please contact me at (202) 736-3215.
