RE: Ex Parte Presentation
CC Docket 96-98; CC Docket No. 95-185; GN Docket No. 93-252

Dear Mr. Caton:

Pursuant to the requirements of Sections 1.1200 *et seq.* of the Commission's Rules, this is to notify you that Scott Morris, Senior Vice President of AT&T Wireless Services, Inc. ("AT&T Wireless"), Howard Symons of the law firm of Mintz, Levin, Glovsky, Ferris & Popeo and I met today with Michele Farquhar, Karen Brinkmann, Jay Markley and Dan Grosh of the Wireless Telecommunications Bureau. In the meeting we urged the Commission to act on the Petition for Clarification of AT&T Wireless (formerly named McCaw Cellular Communications, Inc.) in Docket No. 93-252, filed May 19, 1994, and restate its long-standing policies applying the principles of mutual compensation and non-discriminatory charges to intrastate LEC-to-CMRS interconnection. We stated that this action would remedy to some degree the discriminatory interconnection pricing structures faced by CMRS providers while the Commission considers the broader issues raised in its CMRS-LEC interconnection docket (CC Docket No. 95-185) as well as analogous issues raised in its local competition proceeding (CC Docket No. 96-98).

Should there be any questions regarding this matter, please contact the undersigned.

Sincerely,
