Re: CC Docket 96-98: Implementation of the Local Competition Provisions of the Telecommunications Act of 1996

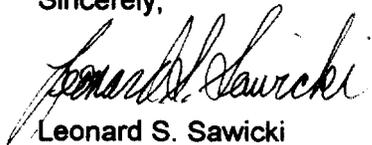

Dear Mr. Caton:

Yesterday, I met with James Schlichting of the Common Carrier Bureau. We discussed the Hatfield Model, Version 2.2, Release 1 and the use of that model for pricing unbundled network elements.

Please include this letter and the enclosed copy on the record of this proceeding.

Because the meeting was held late in the afternoon, this letter is being filed the next business day.

Sincerely,

  
Leonard S. Sawicki
